# David Kirk Sugden

September 30, 1960 - February 4, 2021

David Sugden passed away 02/04/21 due to complications of Lou Gehrig's Disease.

Dave was born September 30th, 1960, to Bob and Margaret Sugden in Salt Lake City, Utah. He moved to Granger, Utah when he was 4 years old and grew up there. He gained a love for nature as he explored the fields around his home hunting for snakes, frogs and anything that moved.

He went to Granger High School and served in the National Guard. He worked in the pineapple plantations of Hawaii for a summer, built paintball guns, and worked many years at Cordin as a machinist building high-speed cameras.

He had a great love for the outdoors. He loved hiking, fishing, hunting, mountain-biking (especially up and down the Jordan River Trail), 4-wheeling, and camping. One of his great accomplishments was the bear he got with his bow and arrow. He was known as 'The oldest kid on the planet' and was always saying, "If you're not a little crazy you're not going to have any fun..." He married Shelley in 1989 and helped raise her daughter Sunny (light of his life.) They were later divorced, but Dave continued to be a great Dad.

Dave was preceded in death by his parents Bob and Margaret Sugden,

brother Robert & Step-son Chad Bennett. He leaves behind sisters Debbie (Ron) and Wendy, brother Matt (Karalynn), Daughter Sunny (Robbie), Step-son D.j. (Suzie), Grandkids BreAnn, KayLee, Layla and Lincoln, and many nieces and nephews.
