“ I always loved being around Brother and Sister Brannen. Her light shown brightly. I could see and feel her love and goodness. And her wit and love of all things fun made me love her all the more. She was a constant testimony of our Savior's love through all of her words and actions. I love her.

“ Everyone knows how Sister Brannen was sweet, special and so loving to all, but I also loved the cute and funny side of her personality. I'll never forget when she greeted me the first Sunday I brought my first born baby Jewel to church. She said Jewel was such a beautiful baby. And then she added, "now I want you to know I don't just say that about every baby I see. If it isn't a beautiful baby, I'll just say, my what a baby!" She certainly had such a cute sense of humor! She will be so missed. To all the Brannens, you will all be in my thoughts and prayers.

“ There was never a kinder, sweeter woman. Hospitable was her middle name, and she was so welcoming. I met her as a teen, and she was warm, fun, and cheery. I felt embraced and warmed by her hearth and home. Memories of her skinning the chicken for the barbecue, chopping the pecans for the actual real Christmas fruitcake, traditional recipes, family gatherings for watching General Conference on TV. The comforts and peace of the home she and her sweetheart created were an example to all who were fortunate to know her, and she will be sorely missed and always appreciated. It will be hard to give her a tribute deserving of such a lady! Much love to her family. You are in our prayers.

“ I have fond memories of this loving family. I have been deeply touched in some way by every member of your family and I'm ever grateful for that, but the most memorable thing was the infectious smile and genuine love that I received and felt deeply into my heart and soul came from this beautiful lady, Pauline. You were all a joy to me to be around, but she was the catalyst to it all. I pray all the blessings of heaven be upon you all and may you all feel that comforting peace, that this great lady is resting in the arms of our Father in Heaven. I love you all. Don Mills.

“ Ted, Mary Lynn, Paula, Teddy, Susie, Gwen and Gretha: So sorry to hear about Pauline's death. She was a sweet soul and one of my childhood protectors and teachers (I called her Aunt Pauline even though she was my cousin...I didn't quite understand all that as a kid). We had some good times and I treasure the memories. May she rest in peace and may you all live in peace with fond memories, Les.

“ Continued prayers for you and your family. I'm still in shock. Your mom and dad are so special to me. I have so many stories about my time with them when I was a teen. I guess the biggest sweet memory was always having Sunday huge lunch after church and then a nap. Haha My second biggest memory was when I had the opportunity to see them while I was in Utah and I FINALLY got to tell them that all of the bad things that Paula Brannen Huni Po'uha and I did when we were teens WAS ALLLLLLL PAULA'S IDEA! Sorry Paula . I remember her sitting in her chair and your dad standing beside her, as we all started laughing. SHE WILL ALWAYS BE IN MY HEART. Thank you Sister Brannen for all of your love and for all of the sweet memories that I will ALWAYS carry with me. I love you 🦋

“ Glen and I will always remember Aunt Pauline with her sweet smile and loving ways. She suffered health issues, but it did not stop her for caring for others. She loved as Christ loved, unconditionally. She is a choice daughter of God who leaves us so much the better for having known her. May God wrap his arms around all the family members at this most difficult time. We love you, Billie and Glen Brannen

“ I remember that Grandma & Granddaddy brought Mark & me back to their home many an afternoon after school. They encouraged me to do my homework (which I hated) & then let me go play in the schoolyard next door. Grandma was often in the kitchen. She made the best waffles in a vintage yellow square waffle iron. She often made biscuits. When I asked her to teach me, she said she didn't have a recipe; she just mixed the ingredients until it "looked right." If I was lucky, I was around to eat warm biscuits covered in homemade strawberry jam. She also made pears & cream cheese on Sundays for dinner after church. She would make me one without the cream cheese because she knew I liked them better plain. She loaned us cookie sheets to use to sled down the hill behind her home. She made me chicken & dumplings for my birthday several years in a row. She taught lessons in church often (she was an incredible teacher). Sometimes, I got to be part of her lessons. She taught me about how to love those I teach, and I will be forever grateful. Love you, Grammi. Sleep sweet.
