“ It's been a little over a year since you left and it's as if you just left.. Everyday I miss you more and more and the pain never fades but have come to a realization to go on with life and treat it as though its my last. I love you and will always miss you. Until we meet again my dear brother. Xoxo

“ I can't remember if I had written on here already or not, but I'm going to write on here anyway. After everything we've been through (the up's and the down's), you still remained the same humble, selfless, and hilarious guy I met at Snow. The memories we've made still carry on with me as I go through life. You've taught me so much and I wish I could repay you somehow. You've made me a better person, and you're definitely missed because you were always that guy who made everyone feel welcome. I'll always remember you Anthony and how you've touched my heart and everyone else's.  
Love,

“ To my older brother, and the Eldest of us 5. There isn't just one, but many memories to share. And I wish I could share the memories I cherish most but those are the memories that I promised, I wouldn't share them with the world. You have taught me so much and my heart hurts so much still. I will never forget your laugh, smile, brotherly comfort, silliness, the music you shared, and more. I am lucky to have a brother like you! Who treated me right and loved me and our family, and most importantly, The Lord. I will miss our long talks about life. Sharing secrets with you .. I'm forever grateful for all the times you allowed me to be the one you talked to about your struggles. I love you so much! Everyday, I wish you would come back. I will see you again brother! Look after our family and bring us closer like you wanted because life just isn't the same without you here with us!

“ Anthony was always so honorable and kind on and off the field. He expressed genuine care for everyone he came in contact with and was respected and loved for his sweet spirit and countenance. He radiated light and happiness everywhere he went and he motivated an entire high school of kids my senior year just by his example and happy face. I've never heard an unkind thing uttered about or by Anthony and I know so many lives have been blessed by his. He was one of those kinds of spirits you just never forget because they touch your life. God bless his family.

“ I do wish to express my sincere sympathy to Tony's family. It has been a number of years since he lived in our Ward. What a special guy! He always treated me with great respect and love. I will always remember him with the best of feeling. What a caring person. I lost track of Tony - will always miss his special smiling and sunny disposition. Sorry that I do not drive at night or very far -- since I'm now 80 years of age. But know that I would have loved to have come to the viewing. Know I care.

“ Words can't express how much I'm missing you. I loved hearing you laugh and watching you grow over the years from a boy into a man. All the hours of Mario go cart never got old. I still remember the midnight run at Wendy's with Peter to buy 45 cheese burgers then coming home to watch movies I rented at blockbusters. Nothing could replace your smile when you and Tohi knew you would get your burgers. And all the burger runs to Carl's jr especially the one time Bill bought each of us 10 famous stars each in my ghetto fab van. The funny toeknee joke that never got old. Time took us a part but I'm grateful for every memory I've had with you and will cherish them. R.I.L. my sweet Anthony alofa atu and Good be with you til we meet again :).

“ For Arnee, Tohi, Mahonri, Kulesa, and Julie:

When ya'll moved into our ward Gary and I thought, "What an awesome, cool, fun kid (Amazing Anthony)." Anthony was and still is a powerful force for good.

Our hearts leaped when you, Arnee, asked us to attend Anthony's football games at Mt. View...and the touchdowns! Then, we were right there when Anthony played so well and almost made a TD at BYU!

Thank you for sharing. There are no words to deeply express our sympathies...we love you all. And our love now and forever for that Marvel of a Soul, Anthony.

Friends, Sandra and Gary Webb

“ If we starves together, we ate together. I remember hanging out at my cousins apartment with all the boys, with no food in the house, wondering what we were going to eat. We had no money and no way of obtaining food, even when some of us had jobs. Then a couple months down the road, after Anthony had been working, he comes over to mix, then after he bought all of the boys burritos. Such a simple and kind gesture! It was in those moments when I realized that he was filled with charity and service. He always went out of his way to help others out! And that is a true friend!! I love you my uso!!!! RIL

“ I remember Anthony was such a cute, nice guy. I went to high school with him and he was in my Sunday school class at church. I really wanted to ask him to the Sadie Hawkins dance our sophomore year, but he was not 16 yet. Anthony will be missed and I know he is in a wonderful, peaceful place.
