

Carole Joan Maxfield

October 15, 1934 - January 27, 2019

We said goodbye for now to our sweet angel mother, grandmother and great grandmother who passed away, surrounded by her family, passed and present, on January 27, 2019.

Born October 15, 1934 to John and Melva Farrell in Salt Lake City, Utah. Carole married her handsome, ginger haired man, Don D. Maxfield on June 17, 1955. Together Carole and Don raised four children: Terry, Scott, Kelli and Shawn.

If there ever was someone who exemplified ministering, serving, and pure Christ like love it was this precious woman. She loved her family with her whole heart and soul. She lived to serve and lift others. Her children, grandchildren and great grandchildren adore her. Watching them all come to say goodbye to her was a reflection of a life filled with love. Although we will no longer be able to hear her cheerful laugh, look into her loving sparkly eyes or hold her tender aging hands, we are comforted with the knowledge that there was a joyful reunion in heaven as she reunited with her sweetheart, her parents and so many others who welcomed her with open arms, including the Savior. Oh, how she will be missed. We are so grateful families truly are Eternal and Forever.

We will be forever thankful to The Inn at Barton Creek and Creekside Senior Living centers where Carole quickly won over all hearts and where our hearts were blessed by the care and loving service they provided for her.

Carole is survived by: Terry Maxfield (Michelle) Scott Maxfield (Jodi) Kelli Hintze (Brent) and Shawn Maxfield. Carole had 11 grandchildren and 22 great grandchildren.

Services will be held at The Eleventh Ward: 951 East 100 South, Salt Lake City, UT. Viewing Friday, February 1st, 7:00-9:00pm and Saturday, February 2nd, 9:00-9:45am. Funeral services: 10:00am. Interment at Salt Lake City Cemetery.

“ I remember as a teenager I became keenly aware that Carol was a wonderful cook. Carol always had homemade snacks ready at her home for anyone that would come home with her children after school and they were yummy! It was at her home that she taught me how to make a tufted pillow. Then she asked me if I would teach the young women and the Relief Society how to to make a tufted pillow the following Saturday at craft day. She gently comforted me that I could do this. A hard thing that I feared to do. This was a valuable lesson which in my life has taught me that all of us can overcome hard things...not easily, but we can do things we never thought were possible with our Heavenly Father by our side to perservier. I remember she did a demo for cooking to the young women one evening at Mountain Fuel Gas Company doing gas stove cooking techniques and showing us how to make yummy food of coarse! I learned many spiritual lessons in Carol's home, that have given me a grounded happy life in the gospel of Jesus Christ of Latter Day Saints. I have a warm feeling of Love and gratitude for all Carol and Don and her family have blessed me with my whole life, and my sweet depated Mother's life as well as a ripple effect of the Maxfield royal & pure Love to others in service.

I Love you all, and pray for you to have the Lord's Love and Comfort that only he can impart to go forward as all our ancestors have done before us, without their loved one's. As Carol shared with me, we all can do hard things, and I add that happiness will return.

Love always, Laura Lamb Webb

“ Carol and I were visiting teaching companions and dear friends for so many years. She was one of the first people that I met when I first moved into the Eleventh Ward about 1970. We later served together in the stake relief society and the stake primary. She was truely a person I could count on to be there for me. I will cherish the memories we shared. She will really be missed.
