

Channon Srah Singh

November 19, 1957 - January 8, 2016

It is with heavy hearts that we announce the passing and honor the life of our warrior Channon Srah Singh, born on November 19th, 1957

On January 8th, 2016 warrior Channon lost his battle with his arch nemesis the third eye aliens. It was a long year and a half battle, but we are so proud that he gave it his all. He was greeted in heaven by the Sun Gods and is regaining his energy there. We are sure he is looking down from heaven missing his boo, the love of his life warrior princess Betty. She stuck by his side and cared for him during this very long battle. They shared an exciting, beautiful but also a battle-filled life for fifteen years.

He left a legend with the tribe he and Betty built. He will be extremely missed, especially his story telling to all the tribe children. He was extremely intelligent, creative and had a love for all living creatures. His favorite pastime was reading history, theology, aliens, quantum mechanics or anything outside of the human box. He loved anything that had to do with the outdoors.

He is preceded in death by his Father Don Singh, Step Father Joe Lopez, Brother John Lopez, Brother Nicholas Lopez and Sister Pricilla Lopez

He is survived by his wife Betty (boo), Mother Lucille Lopez, Brothers Daun Singh (Julee), Karm Singh (Renee) and Kishan Singh (Geri) and Sister Denne Dow (Rick). Step Children Veronica Wolf (Greg), Kandy White (JT), Chaz Benson (Jen), Michelle Hudson (Shayne) Stevie Hopkins (Lisa) Grandchildren and Great Grandchildren too many to name but will be missed by all.

We want to give a huge thank you to the University of Utah Transplant Team and Doctors. Thank you for all your hard work and dedication. We were able to have many more memories with Channon because of everything you did.

“ I met Channon in the darkest days of my life. Thus began a great journey. A journey of soul searching and a great friendship. Oneday evil stepped in and we were seperated, gone but not forgotten. He is the kind of friend anyone would want. He would always step in when eveyone else was stepping out. I believe had I not met Channon my life would still be filled with darkness and I would have never made it back. People say things like "he would give the shirt off his back", well Channon did give the shirt off his back many times in my presence and many other things which truly proved his actions were true to his beliefs and convictions. See you on the other side my friend. I carry the flame.

“ Me and Channon became pretty close through the years I can honestly say he was one of my closest friends.Channon always had a huge heart and would help anybody in need, he would give his own meal to somebody and go without because that's the kind of person he was. When it came to hearing a story if you sat and listened to him he had a very creative imagination, he also was very smart the guy loved books and Wi-Fi movies. He had a lot of strange things to say but they all made sense. I am going to miss you my friend but I do know you are no longer in any pain and you are with the lord and you finally get to see for your self what's out there beyond. Love Ya buddy your nephew and good friend, Dominic....

“ Channon was a great man, I got to know him well because I love my prima Betty and over the year's we've become close we worked together, we were nieghbor's a couple of different time's therefore I got to know Channon very well, I loved him because he treated prima like a queen he was so good to her, I'll never forget one day I needed a ride to go take my car to get a GPS installed and it was so cold outside I couldn't find or ride and I didn't want to ride the bus, I called Betty n Channon and like the good man he was he offered to take me n even waited there with me until it was done, then another about 6:30 a.m. a couple of day's before Christmas someone was knocking on the door wecthot maybe Santa had arrived early lol.....it was Santa Channon delivering a "huge" plate of frosted sugar cookies that he and Betty had stayed up all night baking n decorating to be honest it was the best Christmas present! There are a few more memory's to share but I can't see thru the tear's. Me n my kid's loved and appreciated him mucho, he taught us a lot about life, his love for everyone was so unbelievable he had a big heart! Channon RIP, we will miss you "primo" your memory will forever live on.....Yolanda (Suzie) Martinez and family, :)
