“ Cheryl went home to God way too soon! We were all enjoying her vitality and strength here! She was a wonderful mother-in-law to my younger brother Glenn, and she was always kind and welcoming and smiling whenever our family visited. Her cheer and competence and pragmatic can-do attitude were inspiring and reassuring. She did so many things with her life and in her family that I wonder if she ever slept-- she cooked and cleaned and decorated and painted, always energetic and joyful to be around her children and her grandchildren, always laughing and glad of heart. I am so sorry for Suze's loss, for Robb's loss, for the loss all of us are feeling. Cheryl was someone who provided strength to those around her, who gave shelter under her wing of comfort and care, whose brisk, no-complaining work ethic and encouraging practical optimism gave us all reassurance and a warm clean place to visit any time, with a delicious homemade cookie and a glass of cold milk -- and a warm smiling hostess, always happy to talk with us. Until we meet again, Cheryl! I love you!

“ Aunt Cheryl taught me how to drive when I was 11 or 12. I was so excited! We drove grandmas car down to where the tractor was parked at the bottom of the hill in the field. Aunt Cheryl always seemed busy helping grandpa drive the tractor. I don't know where everyone else was but I drove her down to the tractor and drove the car back to the house. I felt so grown up! It was an exciting lesson. Aunt Cheryl was always patient and kind. When you were with her you could feel the love she had for you. I am forever grateful to have known her and to call her my Aunt! She will always be remembered. Thanks for giving me my first ever driving lesson!
