

Clyde R Lamoreaux

May 10, 1939 - April 23, 2018

Clyde R Lamoreaux, 78, quietly passed away on April 23, in his home surrounded by loved ones. Clyde was born in Cedar City, Utah, to Bub and Erma Lamoreaux. Clyde married Helen Mae Decker of Parowan. They were married in the St. George Temple, on June 3, 1960.

Clyde's Life: He grew up tough and overcame much adversity in his young life. At the age of 9, he was stricken with Polio and was in the hospital for 3 months. His mother, Erma would travel for four hours once a week to see him for an hour and then return back to Paragonah and await the next week's visit.

In his younger years he worked on his Grandpa's farm "forking hay", feeding chickens, herding sheep and tending the garden.

Clyde played football in high school, and was noted for his tenacity.

After high school, he went to Utah Technical College in Provo. He graduated with his diploma in auto body repair the same night as Helen graduated high school. They were married the next weekend in the St. George Temple.

He was extremely close with his family as they learned to do most everything together. He was an avid hunter and fisherman and spent much of his time in the mountains, or on the banks of local lakes. Some of his favorite activities included coaching and watching any sports game on TV or in person. He coached several championship teams in variety of sports because of his ability to recognize and capitalize on talent.

Clyde and Helen served a mission in Salt Lake City wherein they helped to oversee the preparation of various types of humanitarian kits (hygiene, school supplies, emergency preparedness, etc.) to send throughout the world.

Survived by: Wife Helen, Children: Leon (Kim) Lamoreaux, Chris Wall, Darryl Lamoreaux, 8 Grandchildren and 14 Great Grand Children. He has one sister Laura (Donald) Burton. His family is scattered far and wide across the country.

Preceded in death by: His parents, Errol (Bub) and Erma Lamoreaux and daughter Sheryl Lamoreaux.

“ On behalf of me, my immediate family and the South Summit High School family, I would like to give our condolences to the Lamoreaux family. Clyde is one of our greatest fans and could be seen cheering for our football and wrestling teams anywhere in the state. He, Helen and Daryl are our greatest super fans and we love you and all the support you have demonstrated for our families. We love you and will keep you in our prayers. I don't believe Clyde will ever miss another South Summit game or match. He will always have the best seat in the House!

“ Mrs. Lamoreaux, Leon, Chris Darryl and family, although Barb and I only know Leon and Kim I believe we have a very good idea the quality of man Clyde Lamoreaux was by the qualities shown in Leon. From what I have seen about the life Clyde lived it was full of sharing love with his family and a joyful life with each of you. While here is no doubt the loss his earthly passing leaves, his memories will live with each of you and I know heaven is a brighter place with him there.

Our deepest sympathies,
