“ where to start ... I spent most of my formative years in her home. I invaded her house ... ate all her food ... drank all her drinks ... I nvr knocked ... nvr asked if I could come over. I just walked in as if it was my home. Because she made it FEEL that way. Always a smile ... hey Turk ... Alec is down stairs. Or the guys are down stairs. Here are some Bagel Bites and French Silk pie. Those are my memories of Colby Stephenson. My friend.
