

Crystal Hulinsky

December 22, 1964 - October 27, 2019

12/22/64-10/27/19

Crystal has always been known for her sense of humor, and beautiful smile. She had a way of lighting up every room she walked into. In 2001, she had her second stroke, which limited her but that didn't stop her from being a "RockStar".

She was constantly making jokes with everyone she came in contact with. Everyone knew Crystal and if you were sad she would start animating a joke to make you laugh. Her sense of humor and ease of friendship abilities came easy with the legacy of her parents, Tex and Kayleen.

After her second stroke, she was diagnosed with Moya-Moya, which in a way acted like ALS. She didn't care though, she still smiled as long as she had her diet coke. Prior to her second stroke, she was always ready to have a good time. She would have a drink in her hand and music playing in the background, dancing like no one was watching.

On October 27th around 10am, she passed away peacefully. She is no longer restricted to her disease.

Special thank you to her guardian Shelley for making sure she was lathered with lotion and a smile on her face. Midtown Manor care facility and staff for giving her extraordinary care over the years. Silverado Hospice, and Millcreek Care Center where she resided for several years.

She is survived by her daughter, Laci (Isaac) who stayed by her side creating many years of memories, her brother, Ronald Oliverson, as well as Nieces, Nephews, Aunts, Uncles, Extended family, and friends, some of which were soul sisters.

Preceded in death by her parents Tex "Lefty" and Kayleen Oliverson, her father in-law LeRoy Hulinsky, sister in-law Julie Pearson-Oliverson, along with many Aunts, Uncles,

and Grandparents.
