“ Dear Judy,

Just heard of your loss and so sorry for you and your family.

I am glad to hear that you are back in Utah and not far from us so maybe we can meet sometime for lunch when this crazy pandemic decides to go away.

Please know how much you mean to us and that we are thinking of you at this sad time.

Love ya' much.

“ Dear Judy and Aaron, I have such fond memories of growing up across the street from the Bowthorpe family. I miss those days. Having Dad leave us in October was certainly one of the hardest life experiences! It is comforting to know our loved ones are not far. Thinking of you, dear neighbors from long ago.

With much love,
