

David Thomas Reed McClellan

December 24, 1957 - November 12, 2016

David Thomas Reed McClellan passed away on November 12, 2016 at his home in White City, Utah. He was 58 years old. Dave was born December 24, 1957 in San Francisco, California to Dorothy McClellan Angle. He married Shelly Steen McClellan on December 17, 1994 in Salt Lake City, Utah.

“Big Dave” worked at Utility Trailer Sales of Utah. He was known for his excellent customer service. Dave had an extreme passion for the Oakland Raiders football team and everyone knew about his love for Halloween and all things scary. Dave loved music from Metallica to the classics. He had a way with words and poetry. Even his grocery list would put most writers to shame. Dave could make the best cup of coffee you’ve ever tasted. He was a favorite uncle to his nieces and nephews.

Dave was a kind and gentle person. He made everyone around him feel comfortable and included. He was well known for his big “BEAR HUGS” and everyone recognized his amazing voice on the phone or whenever he entered a room. In everything he did, he gave his “all”; whether it was finding parts for his customers or telling a joke. Dave loved with his whole heart and everyone loved him in return. We will miss his inspiring presence in our lives.

Dave is survived by his loving wife Shelly, his aunt Joan McClellan (Arizona), his daughter Rebecca, his in-laws Norman and Shauna Steen, his brothers and sisters in-law, and his many nieces and nephews. He was preceded in death by his mother, Dorothy Angle.

Special thanks to Sandy City Fire Department and the Unified Police Department for their valiant efforts to save Dave’s life. Thank you to all the kind people at Utility Trailer Sales of Utah. Also a special thank you to Lehi Rodriguez and the staff at Serenity Funeral Home.

In lieu of flowers hug a friend!

“ Although he was technically my cousin, I have always referred to him as my uncle David. Probably because, ever since I was little, he perfectly fit that role in my life of the happy, joyous, fun-lovin' uncle.

"Hey, let's go get into trouble"

He was always positive and always smiling, and this world is a much smaller place without him.

If I did my math right, the pics should be from '91 or '92

“ I have known Dave for years through our respective work places. We might have changed jobs but stayed in the same field of work so we were always in touch one way or the other. We always called each other "My brother from another mother" and I truly feel like I've lost a brother. Rest in peace my brother.

“ Big D, it's been 23 years since we first met...and you've always been the coolest dude. I cannot remember a day without you being so cheerful, if it was on the phone or in person you was always the same wonderful person. I'm already missing the daily fist bumps from you, and the little snickers bar here and there. YOU will be missed my friend, by me and many others....Love You Man!!!!

“ I've known Dave for over 27 years and had the honor of working with him a few different times. I can honestly say in all those years I have never witnessed Dave in anything but a cheery good mood, his ability to make others laugh and be happy himself definitely set him apart from everybody else, even the days when you could tell he was in pain he would never let you know, as he would just keep smiling and making everybody else smile. For those that had the honor of knowing Dave knows exactly what I am talking about. definitely a rare individual with a heart of gold. you will be missed my friend

I am thankful our last conversation on Friday ended as always with i love you brother from us both. The person Dave was , the example of whom we should all strive to be. “ Just the best!
I have been doing business with Dave for years and he was my favorite parts guy bar none, always up, always positive and going the extra mile with a personality bigger than life. If every parts person had his traits this industry would be a better place. I'm just so grateful I was able to talk to him on Friday and as always we talked about our Raiders! Every day I buy a part and every Raider game i will be thinking about you. I will truly miss you brother! Until we meet again!

“ When I first met Dave we worked together at Vickers and he taught me everything with a patients and loving smile that only Dave had. This is devastating to know that one of the kindest most lovable guys ever to grace this planet is gone. Love you Dave you will be missed but never forgotten

Joe Griffin - November 15, 2016 at 10:12 PM

“ When I first met Dave for the first time he was a driver for Vickers, I thought who is this? The crusher! But it only took a few minutes to know what a kind hearted man he was, all he wanted was to be happy and make people happy! I want to say your a true brother nobody will ever fill them shoes! You made all of our lives enjoyable, especially knowing when I got to work with him everyday. RIP MY BROTHER YOU WILL BE MISSED!

“ I don't know why I keep thinking about this, but I remember Grandma Steen (Mor) pulling out all of her knitted hats at one family party and sticking a way too small one on Dave's head. He was so sweet to her and insisted that he wanted it and that it fit. I love how much you could tell he loved Shelly. My prayers and thoughts are continuously with you this week. “ When i first started in the transportation industry Big Dave was one of three to help teach and guide me when no one else would.
He was always nice and had a heart of gold.

I will always miss his words of encouragement. He would always offer advice when i needed it most.

He will forever have a place in my heart.

Steve Eyre - November 15, 2016 at 07:32 PM

“ Big Dave was a Giant of a man, and by that i mean he had a Giant Heart!! He was always so kind to everyone and he was the Best Hugger Ever!! I'm sad knowing he won't be walking these streets anymore. The streets of Heaven are so lucky!! Can't wait to see him again!!

Angie Preacher - November 15, 2016 at 04:25 PM

“ I can't put them all down here because I'd take up pages! David was the brother I never had. We couldn't be in the same room for more than 5 minutes without laughing like loons! I have so many hysterical memories. When my tears finally dried up after I heard of his passing, I began going over all our history together and have been laughing ever since. It was back in the 80s. One night I had to work all night and David went with me to help me stay awake and be a pal. Somehow that night, the "Tomato Face" was born! From then on we called each other "my little tomato face" and spoke in Peter Lorre voices and that in and of itself was enough to crack us up! He and his mother lived down the hall from me in Salt Lake City. One day a co-worker brought in these little shrimpy tomatoes from her garden. I took all the little ones and drew faces on them and then took them down to Mom and David's apartment. Mom put them on the table. And I could hear David all the way down the hall when he got home...just burst out in laughter when he saw the tomato faces! He wouldn't let her move them...they finally shriveled up and he had to toss them out! And another time he got a coupon for a photo portrait and wanted me to be in it with him for his mom for Mother's Day. We put on our best dress up clothes. And then David donned a rainbow afro wig and I had this plastic bloodshot eye I stuck on and we had our formal photo taken! The photographer was laughing along with us! What a Mother's Day present...her 2 outrageous kids! Oh my Tomato Face, i will miss you more than I can say!
