

Dennis L Herrera

September 28, 1944 - June 24, 2018

Dennis L. Herrera returned home to our Heavenly Father on Sunday, June 24, 2018. He died peacefully in his home in South Jordan, Utah.

Dennis was born on September 28, 1944 and was raised in Salt Lake and Kearns. He attended Granger High School and both Dixie College and the U of U. Dennis loved the outdoors. Prior to his work injury, he looked forward to elk hunting every fall. He shared this passion with his father and enjoyed taking his own sons once they were old enough to join him. He was an avid gardener and was particularly fond of his rose garden and day lilies. He loved cheering his kids on in whatever sport in which they were competing. He was a dedicated Utah Jazz fan and had season tickets for many years. He took pride in a job well done and loved his 25 years working as a Serviceman for Questar. He treasured road trips and time spent in the motorhome with his family exploring new places. Dennis loved a variety of music from Bluegrass to Opera and enjoyed taking his family to concerts. Most importantly, Dennis deeply loved his best friend and eternal companion Lila, his family, the Savior, and the Gospel of Jesus Christ.

He is survived by his wife Lila, daughters Tracey Jenke (Garry), Tiffany Brandelmayer (Chris), Libby Berrett (Wade), and sons Shelby (Sharon), and Clint (Amy). "Papa" to 15 grandchildren and 1 great grandson. He is so loved and will be deeply missed.

Preceded in death by his son Denny, parents Louis and Ethel Herrera, and brother Michael.

Funeral services will be held Friday, June 29, 2018. The viewing will be held from 10:30-11:30 AM, followed by the funeral services at noon in the LDS church building located at 4200 W. Skye Drive, South Jordan, Utah. Interment will be at Sandy City Cemetery located at 9000 S. 700 E. Sandy, Utah.

Special thanks to Dr. Phil Roberts who cared for him with such compassion for more than 20 years. All the hospice care givers Tyler, Annette, Wes, and Luis from Summit. Your

service and kindness to Dennis meant so much to our family this year. Thank you also to all our wonderful neighbors and friends who have shown us so much love and support throughout the years.

“ My beautiful cousin. I am so sorry I cannot make it this Friday but I will be there in spirit and pray for Lila, your children and grandchildren. You had such a big heart (just like your mom and dad). You are one of the first that I remember from visiting Grandma Minnie. When you and the family travelled to my wedding in Tacoma I knew I was blessed to have you all in my life. You are now at peace and reunited with Aunt Ethel, Uncle Louie, Michael, Grandma Minnie and all your other loved ones. I will always love you and keep a special place for you in my heart. I am so grateful that Kenidee & my husband got to meet you and we saw each other over the last couple trips to Utah. ~ Love Coree

“ Dennis, I remember you being such a soft spoken man. I remember that you loved your family so much. I know that you will be missed by all of us. I just want the family to know that I will not be able to be there but I will be praying for all of you. I know he is happy that he is with his Mom and Dad, and with Michael.

“ Dennis welcomed me to the family from the very first day I met him. I remember sitting down on the couch with him, Shelby, and Lila. We all talked for hours. There was one day when the kids were little, they tried to pull a fast one on him. They told him his refrigerator was running. He laughed and said, "Well I better go catch it! I am not falling for that one!" They all laughed so hard. He had some pretty funny things to say and as I look back on them, they will bring a smile to my face. I love how we always shared our birthday celebrations. Going forward, I will still celebrate with him, we will just be in different places. Although the last few years have been hard, I will always cherish the time I had with him. I am grateful he no longer will be prisoner to the awful disease Alzheimer's. I love him very much and he will be greatly missed.
