“Watch You When You Go”

by

Dick A. Garcia

It ain't the way you walk, it's the way you stand.

It ain't how you fly, it's the way you land.

It ain't how you talk, it's the way you say.

It ain't what you buy, it's how you pay.

“And there's one thing I think you should know”

They say you can look, but don't you touch.

They say you can talk, but don't say too much.

They say you can touch, oh' but don't you taste.

I say, if that's true baby well then that's such a waste.

Oh, but there's one thing I think you should know,

I hate it when you leave me

but

“I LOVETO WATCH YOU WHEN YOU GO”
