“ Hi Aunt Pam and all the rest! I'm thinking of all of you a lot. I remember Uncle Don's quiet but firm way of handling things. He was always busy doing something to help out when you had a large group over -- even when his health started making it difficult for him. He was always willing to help my family. You often held family get togethers at your house as we passed through Utah, and you've been so good to let us stay there as well. Clarissa will always be grateful for the space you shared with her to store her things while she served a mission. Me too! I'll be thinking of you over theses next few days and praying for lots of love and support for all of you. Love,
