

Donna Lynn Warner

July 18, 1959 - March 25, 2016

Donna Lynn Warner was a loving wife, mother, sister, daughter and friend. She passed away peacefully the night of Friday, March 25th 2016 surrounded by her family. She died at the age of 56.

She was born June 18th, 1959 in Portland Oregon. She moved to Utah at the age of 4. She graduated from Orem High School. Later she faithfully served an LDS mission to Calle, Columbia.

At the age of 26, she fell in love with a wonderful man, named Mark Warner. He was the love of her life. They were married in the Salt Lake City Temple. Later they had three beautiful daughters.

Donna was one of the most talented people I have ever known. She loved to paint and make beautiful unique jewelry. She could take any ordinary thing and make it beautiful. She was so creative. If you knew Donna you know that she was the most loving, caring, kind hearted person. Everyone she met became an instant friend. Donna will be missed and we will never forget her.

She is survived by her husband Mark Warner of Orem; her oldest daughter Marci Warner; her middle daughter Erin Wheeler; her youngest daughter Jamie Warner; and her adopted daughter Jessica Fryer. She is also survived by her mother Mary Garfield; siblings Tom Garfield, Phil Garfield, Dan Garfield, Lauri Rosenlof, Jill Johnson, Jerry Garfield and Krista

Garfield.

Funeral services will be held Wednesday, March 30th at 11:00 a.m. at Suncrest 1st Ward, 190 N 800 W in Orem, Utah. Family and friends may attend a visitation from 9-10:45 a.m. prior to the services. All are welcome to come celebrate Donna's life.

The family would like to thank all of those who contributed to the Mom's funeral expense GoFundMe. Further donations are still being accepted.

“ I spent a couple of years living across the street from her and all I saw was kindness and hard work in a beautiful family full of the spirit. Bless her soul for she truly was an inspiration and blessed be Mark for being the man he is and being a good example to those around him. Great family, she will be greatly missed

“ Hearts and souls are shared by sisters, similar thoughts and feelings abound, conversations continue in your thoughts and into the very next moment you speak, even if you do not talk for a week. A lifetime is not long enough to spend time with Donna an eternity is needed.
Donna is greatly missed already, she is a blessing to all who know her, and even those who don't. Her humanitarian services have been felt worldwide. Her compassion is ever present and felt by all.
She has seen the Saviour's face and has willingly begun a new journey serving him who created us all.
Lord bless Mark, Marci and Coty, Erin and David, and Jamie, mom and her seven siblings, family, and friends galore.
Love,
Lauri and Dennis

“ I met Donna at the Hill Cumorah Pageant in 1980. She was so good to me even back then. She's just a couple of years older than me and she looked out for me there like a big sister. She has always been so generous and even brought me a gift after her time in Japan.

We lost touch for a few years and then found each other again when we moved into her ward. She tended Joel for me for a while when she had a daycare and we have just enjoyed being friends over the years.

Her birthday cards will always stand out in my memory. They were always so kind and so personal. She is a very genuine person and always patient and understanding. If she knew you liked something, like I love Americana stuff, and she would see something she knew you would like, she would either get it for you or tell you about it. She was ALWAYS thinking of others.

I know many times she was in pain or struggling with something but her attitude was always positive and happy. I admired so many of her qualities and would do well to incorporate them into my life. I love her a lot and will miss her so much.
