

Doris Pyne Barney

March 22, 1943 - October 31, 2017

Doris Pyne Barney, returned to her Heavenly Father on October 31st, 2017, in Boise Idaho. She was born on March 22nd, 1943 in Orem Utah to Harold D. Pyne and Hazel Minor Pyne. She married her high school sweetheart M. Jack Barney in Orem Utah on April 20th, 1961.

Doris and Jack had three daughters Shauna, Stacy and Stephanie. They lived in Utah County for many years then later moved to Issaquah Washington. Jack and Doris later divorced and Doris returned to Utah with her girls and eventually landed in American Fork Utah where she lived the last part of her life until she could no longer be on her own.

Doris worked hard all her life and she taught her girls to work hard too. She lived her life with compassion, determination, strength, and independence. She served in many church callings for the Church of Jesus Christ of Latter-Day Saints; she taught Gospel Doctrine and served in the Mt. Timpangos Temple before her illness made it impossible for her to do so. She loved her family, her three girls were the light of her life and she enjoyed spending time with them and their families. She especially loved babies, whenever a new grandchild or great-grandchild came into her life she made sure she was there to help her daughters or granddaughters, but mostly to love her newest grandbaby. She served her family her whole life and was an example to all who knew her. She did hard things for most of her life, but living with Frontal Lobe Dementia would be the one thing she couldn't defeat or work hard enough to overcome. Her daughters were honored to serve her during these, the hardest years of her life. They kept traditions for as long as they could, special girl's trips every year around her birthday, weekly dinners, and taking turns spending holidays together. She will be greatly missed, but her example of strength, determination and love will never be forgotten.

Doris is survived by her three daughters, Shauna (Scott) Seastrand of Las Vegas, NV, Stacy (Jeff) Burr of Henderson NV, and Stephanie (Denny) Mann of Boise, ID. 10 grandchildren, 6 step grandchildren, and 29 great-grandchildren. Her sister RaNae Healy of Spokane, WA, and her brother Dale (Jeannie) Pyne of West Virginia.

Doris was preceded in death by her parents Hazel M. Roberts, Harold D. Pyne, and M.

Jack Barney.

Services will be held on Saturday, November 11th, 2017 at 11 a.m., with a viewing prior to funeral services at 10:00 a.m. at Doris's old chapel – 320 North 100 East, American Fork, UT.

Thank you to all who served Doris with all the love and compassion of the Savior. Special thanks to Charlotte Peterson who did so much to help our mom during those difficult years she was still living in American Fork and for the many visits she and her family made to see Doris while she was living in Las Vegas. Thanks to Emerson House in Boise Idaho, for the care and love they showed to our mom during her last days of life. Last but not least, to all friends and family that visited and kept Doris in their prayers.

“ What a sweet and perfect picture of her. Doris was always sweet, spunky and full of life to all of us kids growing up. I am so thankful to have known her. Big hugs to you Steph, Stacy and Shauna. I know this isn't an easy thing to go through. I love you Ladies.

“ I have many fond childhood memories of Doris. We were in the same primary class in the Vermont ward. Went to Sharon Elementary through 12th grade at Orem High School together.

She would often start dinner for her family after school because her mother worked. I was amazed that she knew how to cook a roast at an early age. I loved her upstairs bedroom where we had many fun "Girl Talks". The last time I saw Doris was at our Orem High 50th Class Reunion.

She was so cute and sweet and I loved our visit. It was just like old times. It was then that our good friend Susan Peters Ringer told me of Doris' condition (it was in its early stage).

I'm glad you sweet daughters took such good care of her.

I'm grateful to know that friendships are eternal and look forward to seeing her again

“ What a beautifully written obituary for my friend Doris. You girls don't know me and I've never met you but your mom talked about you so much to me that I felt like I knew you. I worked with her at Vocational Rehabilitation in Provo. We became fast friends and did a little running together also. She was so beautiful and striking in her outside appearance, but she was beautiful inside also. We had a lot of fun together and I really regret not following up on the relationship after she was diagnosed. In fact, it is one of my deepest regrets. I just wanted to say thank you for being such sweet daughters and taking such good care of your mom. I know how much she loved you. I'm so sorry for your loss and for all you have gone through.
