Comments

“ I have known Doris for the time she spent at Cove Point. She is a wonderful person, so kind and gentle. I have enjoyed her friendship and will miss her. I loved her beautiful white hair, it reminded me of my grandmother. I know she missed her husband so much and spoke of him and her children often and with love. I will miss seeing her at the dinner table each night. May she finally find joy and rest as she is reunited with her husband.
Deepest sympathy to her family.
