“ Louise is my Ark Angel. She has the biggest heart, a worrier for Christ. Lived her faith as her life's example with bold love for anyone she ran across especially a hurting child no matter who's, it was. I helped garden beside her, worshipped beside her, cleaned the church with her in joyful conversation. She proudly introduced me to her family, whom I love and lift in her stay. I only miss our Sunday Lunches as you live in my heart and sitting at the foot of our Saviors Cross with his ear and our need. Thank you!

“ Charlsa, Donna, Dotti, Sherri, Donny and your family,

I'm so sorry for your loss. Some of my earliest memories of moving to Seligman were the wonderful Christmas parties your family had, and of the joy that your mom shared with so many. She touched so many lives in so many ways, and we are all so grateful for that.

Love to you all,

Craig Russell

“ Charlsa, Dotti, Donna, Sherri, Donny and Family, I am so sorry for the loss of your sweet mother. I remember your mother as a hardworking dedicated mother and member of the community. Her spirit and dedication is evident and will live on in each of you and your families. This is a difficult time but God will help you heal and embrace all of the time you spent with your mother. Although your mother has moved on to a better place she is ever present in your hears and thoughts. Remember to lean on one another and celebrate your mother. I wish I could attend the services but will be thinking of you all from Virginia. God Bless, Sindi

“ I have so many memories that it is hard to pick one to share. Aunt Lou was always so good to me when you all were here in Maine and I remember so much!! So many laughs at Grandpa's camp in Carroll....wayyyyyyyy out in the woods. I shall not soon forget when my dad and I came to Arizona in 1977 and we all loaded up and took off to Vegas (what a FUN TRIP). It was August 16th when we left for our road trip to Vegas (it was the first time I ever took a ride with Dotty that she did not get car sick...haha)I remember the announcement on the Radio in the car that Elvis had died...I remember all going to the Grand Canyon...and the horseback ride she'd arranged for me.....the Hoover Dam and it was the FIRST time I was ever exposed to temperatures like that...I recall the temp in Vegas being 112...why this Mainiac did not MELT is beyond me ...the Circus casino where there were constant acrobats and shows....I remember LOTS and LOTS of laughs.....and I tell all of my friends who like to eat that NO ONE can make an Enchilada like my Aunt Lou (and THAT is the TRUTH I really do say that) !!!!!!!!!!!!! (tried to get her to tell me a recipe for them a while back ..."I don't really have a recipe" she says....go figure :-). I have enjoyed the reconnection through facebook over the past couple of years and have felt that I reconnected with a special part of my family that was lost to me for a long time.....I am so thankful for that. She will be missed by all. Charlsa, Donna, Dotty, Sherri and Donnie....I am so so. so sorry for your loss. I know there is a void in your hearts and that you are all completely broken....please let all of your good memories be in the forefront of your mind and know that Aunt Lou is certainly in a better place now, free from any discomforts and at complete peace. Sending my love from afar and wishing I were able to be there with you at this most difficult of times...many hugs to all of youLove, Karen

“ Sending love and sympathy to each and every family member as you grieve the loss of such a beautiful soul. Louise welcomed us as members of her extended family, and was much loved as the Matriarch of the Brown family. We will miss Louise, but knowing that she was instantly welcomed into the arms of The Lord makes it easier to accept the void her passing has left in our hearts.

“ So sorry for this wonderful families loss. Louise gave me my first job at the Copper Cart. She taught me the value of treating all your customers like family and no matter what the job was to always try and do it right the first time. I am praying God gives all her family and friends comfort during this time of great loss.

Amy Jackson-Hall - August 29, 2014 at 08:36 PM

“ Louise was a very sweet lady, always so cheerful. The most important things to her were her relationships with Jesus, her Saviour, and her family, and her friends. And she had many!
