“ My condolences to Betty's family. Though I only got to know Betty for the final chapter of her life I could tell she was a faithful, determined, true lady. I enjoyed visiting with her and learning a little about her. It was an inspiration to see how much her family loved her and tried to make her life comfortable and happy. She so enjoyed your visits.
I loved to see Betty enjoy her chocolate, chocolate desserts, chocolate milk and even cereal with dark chocolate chunks. She's a woman after my own heart! I'm certain there must be chocolate in heaven.
It was a privilege to care for her. She will be missed.

“ I will never forget the time I spent with Betty in her home in Sandy. She made the best meals that were simple yet delicious. She made me feel loved from the moment I met her. She is one of the greatest blessings I have received by marrying into her family. I am honored to call her the great grandmother of my children.
