“ Tailor & Tapaau Magalei Family Reunion in Utah last year summer. First time meeting the "quiet" Eric. You are the best round pancake maker. Everytime mom wanted to eat some while in Utah, you never hesitated to make them. Even when Lotte and I tried to mix the batter ourselves (and we didn't do it right LOL) you said we wasted good flour and baking powder. You're the best Eric. Will miss seeing you and enjoying the pancakes at the next family reunion. Thanks for always having mom's back with her Samoan jokes and lectures. Continue to watch the babies and your sweetheart.

“ St. George and Vegas family road trip was one for the books. You driving our party bus everywhere and being their for our family is one of the memories I will cherish. Thank you for always taking care of mom with her “Samoan” meals. You always knew what Mom wanted. We love you, brother. Thank you for loving our family and always being there for us. You're truly missed every day. Watch over our babies and sister.
