“ All of us miss seeing our dear friend at Huntsman.

Terry Van Duren - October 04, 2016 at 02:51 PM

“ Paco, my brother! You are missed! We only got a short time with you here on this earth. I look forward to the day when I can see you again and you can finish teaching me how to dance! You are one of the greatest examples of living what you believe. You showed love and acceptance to all those around you. You showed forgiveness and understanding. You did all you could to make others feel loved and welcomed. It shows in your beautiful family. It shows in your friends who are left here missing you.

I will cherish the memories we have. I will cherish the foods you got me to try, the different salsas were always my favorite. Thank you for letting me become a piece of your life. Thank you for blessing my life with more joy and happiness. Thank you for welcoming me to be a part of your family.

I know that time, space, and death cannot separate us when love holds us together! Thanks for being my great friend and example.

I will always love you brother!

“ La relación con paco fue Y es más allá de esta breve vida terrenal. De esto estoy muy seguro
De paco aprendí muchísimas cosas. La alegría por la vida el amor a la familia el trabajo constante .la amistad, la lealdad el sentimiento de que siempre estaba ahí cuando cuando lo necesitaba.
Voy extrañar mucho a mi , hermano, compañero,maestro pero sobre todo mi gran amigo.
Nuestra vida estuvo llena de aventuras locas y atrevidas siempre embriagados de nuestra juventud y espíritu de conocer y soñar. Tengo innumerables recuerdos de paco y esos recuerdos alimentan mi espíritu hoy.
Para recordarte y sentirte tan cerca. Se que seguiremos juntos. Y también se que un día volveré a verte ,sonreiremos y nos abrazaremos .
Disfruta donde quiera que te encuentres.
Estaremos bien no te preocupes.
TE QUIERO BROTHER.

“ Mi querido hermano, gracias le doy a Dios por haber encontrado a mi familia, como el patito feo, y haber tenido la oportunidad de convivir con una persona tan maravillosa como mi hermano Paco, Que me transmitió su gran amor a la vida, a la familia y a la Iglesia. Hermano tienes que continuar el plan que el padre tiene para ti y en nosotros permanecerás en nuestros corazones para siempre
