

Franklin Cameron Childs

August 21, 1960 - April 19, 2019

Franklin Cameron Childs, age 58, passed away peacefully on his 34th wedding anniversary, April 19, 2019, in his home, surrounded by his family.

He was born August 21, 1960 in Salt Lake City, Utah to Frank and Jennie Childs. He married the love of his life, Teri Hardy, in Boise, Idaho on April 19, 1985. Frank grew up in Houston, Texas. He attended Brigham Young University and graduated with a degree in physics. He was willing to take risks, including learning to skydive with his work buddies and starting his own IT business. He ran the business for 14 years before retiring. He was a man of impeccable integrity, and cared more about people than profits. He was a die-hard BYU sports fan and proudly wore his BYU paraphernalia whenever he could. He served a mission for the Church of Jesus Christ of Latter-Day Saints in Zurich, Switzerland. He continued to serve his church his entire life. One of his favorite callings was as the ward mission leader. He was always a missionary, and wasn't afraid to open his mouth and share the gospel with anyone who would listen. He also cherished the time he served in the temple as an ordinance worker.

Frank is survived by his wife, Teri, his mother, Jennie Childs, his children Heidi Goodyear (Derek), Holli Mills (Adam) and Ryan Childs, grandchildren Jack, Lily, Violet and Penelope, and siblings Russell (Roberta), Eileen Collette (David), James (Mar), Spencer (Lisia) and Monique Powers (Paxton).

He is preceded in death by his father, Franklin Mallory Childs.

There will be a viewing Thursday, April 25th from 6:00-8:30pm, then again Friday morning, April 26th from 9:00-10:30am. The funeral will follow at 11:00am. All events will be held at the Yorkshire Chapel, 10115 S. Yorkshire Drive, South Jordan, UT.

“ Frank & Teri,

Two of the sweetest people in the world! Frank is the most humble and caring person I have ever had the privilege to know. Thank goodness for our understanding of the Gospel of Jesus Christ. To know his afflictions are over and that wonderful reunions are taking place with family and loved ones on the other side of the veil. That must be nothing short of pure joy. He will be missed by all that knew him. May God bless his family during this time of mourning.

“ We love you Frank! What a good friend you have been to our family. We so appreciate all your sweet love and support over the years. You are such a good man, and we know that you are still busy doing amazingly good things. You were the best ward missionary I have ever know, and I'm sure you're still going strong. :) You hold a special place in our hearts-- especially Shawn's. You two watched many a football game together (go Cougs!), and he's sure going to miss you. Thank you for loving us Frank. We love you back and will love you forever.

“ Childs family, how blessed you are to have such a great Dad, Husband, Grandpa and son. I count it as a real blessing in my life for being blessed to know Frank and he always cheered up any situation and had such a beautiful smile and laugh. And he also had a great taste in Colleges and love of cars. He will be greatly missed but I'm sure is already busy in a new responsibility on the other side. Thank you for sharing him with us. We will continue to pray for comfort and peace for you all. We are so sorry for your temporary loss.

“ I was so sorry to hear of the passing of my dear cousin. I have sweet memories of when we were kids playing at Grandma Child's home. We haven't kept in touch much as we became adults but I have always remembered my Cousin Family. Frankie was and still is a sweet quiet reverent personality. This is just one step closer to Eternal Life. We will all be together there one day. Prayers of comfort go out to the Child's family .

“ Frank what a great man and example of our dear Savior you have been to over the many years we lived in South Jordan. You are already missed. He was always steady and I don't ever recall seeing him flustered. He always tried to make people smile and feel welcome. To shake his hand you knew by his genuineness that he was your friend. He was my family's home teacher for a few years and we always loved his visits. Whatever calling in the church he was given he carried out with diligence because of his love for the Savior and those he was called to serve. To Teri and the family it's our prayer that the Lord will give you the Spirit of comfort, peace and assurance during this time of separation and sorrow. The knowledge of the plan of salvation gives us all great comfort. May God be with you till you meet again.

“ My dear friend Frank - you will be sorely missed! Frank is one of the most Christlike people I have ever known. So kind, caring and compassionate. He always had a way of making me laugh and had such a positive outlook on life. Loved talking BYU and Jazz with him. Frank had a real passion for missionary work and had the faith and courage to reach out and talk to everyone about the gospel. I had the opportunity to work closely with Frank in church service and I know he loves his Heavenly Father and his family. Our hearts go out to Teri and family. We all love you and Frank and look forward to seeing him again! Bis wir uns wiedersehen!!

“ Frank was the most genuine and kind hearted man I think I've ever met. Each of us has a little dark side but not Frank he was so pure in thought and action and it showed in the rest of his family from his (and his wife's) example. He always had a handshake and a smile for everyone he ever met. I've known him since I was a kid and through my adult life and have only been blessed by knowing him. We always teased back and forth between BYU and the Utes, your friendly banter back and forth will be greatly missed. Love you Frank and look forward to meeting you again and can't wait to get that handshake and warm smile.

“ Frank is a wonderful man, a great leader, and a good friend. Once he was our High Priest Group leader and he came over to visit. I was going through some struggles and he gave me counsel I'll never forget. He said, "Live the Gospel with Exactness and blessings will come." Frank is a great example, he will be missed but only for a season until we meet again. Love you Frank.
