

George Allan Betts

October 12, 1943 - August 21, 2016

George A. Betts passed away August 21, 2016 from the ravages of Lewy body dementia. He had been a long time Northern Utah resident living in Ogden and Layton. He also recently lived in Pahrump, Nevada.

George worked many years at the Defense Depot Ogden and served in the US Navy. Above all George was a Car Guy. He owned and customized several old cars. Most notably his '48 Chevy Aero sedan which we enjoyed for many years of car shows and runs with our great friends in the custom car community.

George is survived by his wife Carol, son Vince (Lynn), sister-in-law Gail Betts, sister and brothers in law Chris & Bob Murray, and Bill Dyer, Dan & Susan Dyer (Ashley, Amber, Mike, and Steven) and a special nephew Derreck Dyer and his family Sarah, McKenna and Zander, four grandchildren (Beau, John, Kristen and Becky) and three great grandchildren. He was preceded in death by his brother John, nephews Tim & Greg and his parents

There will be a graveside service on Tuesday, August 30th, 2016 at 11:00am at the Ogden City Cemetery with the US Navy providing Final Honors.

“ Carol, I didn't know George had died until today. We spent so many years as friends and co-workers together. I think about him often and I am sorry to learn of his death. I hope you are doing well.

“ Car shows, what a way to get folks to gather. George would be there with his quick smile and beautiful hair. He always had a smile for everyone. We have many wonderful memories of George and Carol.
Smiling up at you George.

Our thoughts and prayers are with Carol and your family.

“ George and I went to high school together and shared a lot of good times together. Our friendship continued after school as he did a lot with old cars and I opened my own auto repair business. My deepest sympathy to his entire family and all who new him.
