Jun. 18, 1942 ~ Feb. 27, 2016

Born June 18, 1942 in Fruita, Colorado

Death February 27, 2016 West Jordan, Utah

Hi there! I just thought I would write my own obituary.

I was thinking, If I had to do it all over again what would I change?

I came up with the fact that I would not change a thing. My life was far from perfect, but God gave me four wonderful children (Steve, Cindy, Revis and Sony) and their families (8 grandkids and 9 great grandchildren). He gave me my first wife (Susie) of forty-eight years which I loved with all my heart; three years later God gave me another wife (Valerie) that became the love of my life.

I am proud to say I started my life by enlisting in the U.S. Marines when I was 17. Once a Marine always a Marine.

I worked at some great companies; Kennecott, Gibbons and Reed and Granite Construction. I worked with some bad people, but I have to say a lot more good people than bad. I would like to thank all of them for having a positive impact on my life.

Cancer has been the greatest struggle in our lives. My first wife, my mother, and my youngest daughter died of Cancer. My oldest brother (Tony) , older sister (Lucy) and my oldest daughter had and survived Cancer. Now it 's my turn. Through it all it has strengthened my faith in God. He was with us every step of the way.

Follow up on your Genomics. Try to catch it before it is too late.

“ With Deepest Sympathy, I Offer Condolences From Our Family To Yours... and I pray that GOD will mend your hearts and that the healing process come quick by reminiscing all of the wonderful times you/we all had with him. I know you will never truly be complete again, but that you heal as good as you can... REMEMBER THE BOOK "EMBRACED BY THE LIGHT" it talks about the wonderful things to watch for (ie: I you are thinking about him and all of the sudden a book falls off the shelf or something makes noise that you can not explain)... It is just him watching over you or there with you... It is the only thing that helped me when Tony (my brother) passed away and I know it will help you. Sorry for your loss & may GOD BLESS YOU ALL.

“ Gil was one of the kindest men we have ever met. He was an inspiration to us as he opened his home for Bible study and fellowship. He will surely be missed here but he is now "jumping, leaping and praising God"! He continues on into forever with our Lord...no pain, no sorrow, only joy and peace. Love, Dennis and Cheryl Espinoza
