

Henry Alfred Hansgen

November 19, 1946 - February 8, 2014

Henry Alfred Hansgen, 67, passed away peacefully on February 8, 2014 at his home. He was surrounded by his family who were privileged to have been able to care for him during his short battle with cancer.

Henry was born November 19, 1946 in Provo, Utah. During his younger years he excelled in baseball and later became interested in stock car racing and golfing. His most memorable times were spent with family hunting on motorcycles in the Book Cliffs. He loved fishing and horseback riding in Strawberry, and camping and riding ATV's with his grandchildren in Scofield, Utah.

He served his country in the Army spending most of his time in Italy. After his service, he worked as a salesman for a film company that allowed him to travel. He later became the parts distributor for F. G. Ferri & Sons before moving on to purchasing a franchise with Abby Carpets in Ogden. Henry's final employment was with the Denver and Rio Grande Railroad where he worked as an engineer. He retired after 30 years on September 1, 2011.

On November 17, 1979 Henry married Colleen Zeeman and together they had four children: Sara, Jamie, Wells and Matt. After Colleen passed away, Henry married Bonnie Ann Vest Bonner on June, 25, 1988. Bonnie brought two children into the marriage: Marci and Spencer.

Henry was an original. He loved people and made friends wherever he went. His personality and humor entertained and endeared him to many. He was the life of any gathering. Henry's focus in life was his family. He was happiest when surrounded by his grandchildren: Trinity, Talia, Taiten, Colton, Kade, Camden, Dagen, and Tayvia.

Henry was preceded in death by his parents, Wells T. and Anna Madsen Hansgen, his sister Ruth Ann, wife Colleen, and brother Gene (Nancy). He is survived by his wife, Bonnie; children Sara (Garrett) Evans, Jamie (Rodger) Linford, Wells (Amanda) Hansgen, Matt (Sarah #2) Hansgen, Spencer (Amy) Bonner, and Marci Bonner; brothers Ted (Julene) and Harvey (Christine) Hansgen. Henry, your family and many friends will miss you greatly!

“ Sara, I just heard about Henry today. I am so sorry for you and your families loss. I always enjoyed visiting with Henry when he would come into Roundup and also when I would see him after I stopped working at Roundup. You and your family are in my thoughts and prayers.

“ I will always remember Henry as having a great sense of humor. My Grandma Olga would take me with her when visiting her sister (Henry's mother Anna) when I was a pre-teen and I remember Henry was so funny and so much fun to be around. He will certainly be missed by his extended family. My condolences to his brothers and his wife and children.

“ Expressing my condolences to Henry's family & children. What a loss for all who knew and loved Henry. You could count him as a friend for the long haul, as we've known one another since our teens. Henry was great fun, a character for sure! Although we lost touch thru the years I've always had fond memories of him. He will be missed by many.

“ Bonnie and family,
Our prayers and thoughts are with you. Henry was a great man, and a true friend, and his sense of humor will be missed by all. Matt, Wells, Jamie and Sarah, be proud, and draw strength from knowing whoever you are now, or who you may become, you'll always be a Hansgen first. When you think of him now, and you will, a lot, remember the good times, and all the times he did something that made you laugh. If you do this, you will all be walking around with a big smile on your face, which is just the way your Dad would have wanted it.
Love Always, Larry, Jan and family.

“ Henry, You will be missed. I am so proud of the relationship you built with your children and the affection you had for them and they for you. You are a great dad and I only wish I could have been as good. See you soon.

“ What a lose for all of us! The world will never be the same without Henry. He had a wonderful sense of humor and was the first to make a joke.
I feel so blessed to have been able to speak with him two weeks ago and he was still the same old Henry.
