“ Living with my sister Claudine and Joe they were like my own parents Jojo was like a sister to me. I remember when I get home from work or from training Jojo never miss to look at me and smile knows that her favorite UNCLE is home! If I don't stop and spend time with her she gets pissed at me. From the place jojo lived at Kahuku to Laie and my last visit last year in Utah Jojo still remembers" uncle don't you forget to stop and play with me!"until she gets irritated from me then she will focus on her movie she is watching and thats a sign k beat it!! also made sure Malcom and Conan treats her like a queen to my nephew and niece now Jojo is so happy and walking free from all the pain she went through her life time her with us, but do know when she see you guys again she going fasi you two for making trouble! “ One of her favorite movies was "Little Mermaid" and Sebastian's Under the Sea sing-along, all on VHS lol.. We would sit and watch with her until somebody changes the movie then all you hear is her getting pissed off lol She had no problem wacking you with her hands when she's irritated. But she had a smile that lit up ear to ear, and a laugh that just made you feel so lucky to be around her. Love you jodecy #familiesareforever

And when we'd bring Taylor home and ask him "Taylor, who's your girlfriend ?" He'd always say Jojo. Hope you two are having fun up there. Love and miss you both. _\,/ #FrontLineOfGodsArmy
