“ Dear Jason and Shannon,

I was so sad when I came across this obituary today. I would like to thank you for giving me the chance to know Jordan. Every time I saw him I was inspired by his strong will, love of life and infectious smile. I was always impressed with the way your family rallied around Jordan, and made sure his needs were taken care of and how he always knew he was important and loved. My thoughts and prayers are with you and your family in this very difficult time.

Sincerely,

“ Dear McGavins,

I am so sad to hear of Jordy passing away. I loved having him in my class. He had the greatest smile, but it was his fierce determination to be as independent as possible within the confine his mortal limitations that always touched me. He had such a strong spirit about him that I often thought of him as one of Heaven's Warriors. My life has been blessed by having known Jordy. He will be missed but never forgotten. Thanks Shannon and Jason for sharing your sweet son with me. May God bless you both.

Sincerely,

“ Dear Jason and Shannon,
Nothing hurts more than losing a child. I don't understand why some of us have to go through this, but I know there was a reason why Jordan came into your life. And there is a reason why he had to leave it now. There isn't anything anyone can do to ease your pain, but perhaps in time you will be able to understand. Meanwhile, you can lean on each other and those that love you. We know he didn't go very far. His spirit will be close and his love for you will endure for eternity.
I will keep you in my prayers. I am sure that many people will be praying for you and your family. May God be with you and your family.

“ When you loose a child there is sadness beyond belief. When you close your eyes and remember a time you were with him he will be there. He lived as full a life as he could with you and has enriched your life and impacted your life forever. He will not be forgotten. You enjoyed 23 years with this sweet and lovely spirit. Heavenly Father has given you this gift of this beautiful spirit. Jordy will comfort you even now and for many years to come. Your family was the perfect family for him to come to because all of you needed each other. Linda Hadley RN

“ I will always remember how big you smiled and how much you enjoyed yourself as we walked holding hands at family reunions. You were a joy and an inspiration. We send our love to you and your mom and dad.
