

Judith Evelyn White Christensen

March 9, 1962 - May 27, 2015

Judith Evelyn Christensen

Our loving Mom, Sister, Grandmother and Friend was called home to her loving Heavenly Father on May 27, 2015. Judith was born on March 9, 1962 to the family of Chester D. and Naomi Jean O. White in Salt Lake City, Utah.

Some of the things she accomplished during her earth experience were graduating from Gunnison Valley High School, graduating with an Associate of Science (Cum Laude) from Snow College, graduating with a Bachelor of Science in Elementary Education from Southern Utah State College, and graduating from Sevier Valley Applied Technology Center - Richfield in Drafting. However, her greatest joy in life is her two sons and their families and her little dog Glady. She was especially excited to have her grandson Andyn join the family two years ago. Judy loved to try a new recipe when cooking, gardening, watching hot air balloons, having fun with her family on their adventures and celebrated her earth life one moment at a time. She enjoyed working at the Manti Temple and serving others as she served in various callings as a faithful member of the Church of Jesus Christ of Latter Day Saints. We as a family are so grateful that we got to enjoy her company and companionship - giggling and laughing at the oddities of life and experiencing new places and new foods. She has been an inspiration to her family and has left a wonderful legacy for them.

She is survived by her two sons: JaCee (Whittney) Christensen and Cole (Jileesa & Andyn) Christensen. Judy's surviving siblings: Jill White, Jess (Debbie) White, Jonah White, James White, Joel (Stephanie) White, and Joshua (Ryan Hodges) White.

We are sure there was a grand reunion in heaven as she was met by her Mother and Father, Grandparents, Great Grandparents and many other relatives and fiends that are in the Great Other Side.

“ Judith was one of the most serene and faith-filled people I have ever known. Even through all of her many trials and health problems, one could always hear her saying, "All is well" and expressing her faith that Heavenly Father was aware of her and that He knows best. She told me the night she found out that her cancer was back and it would be terminal that she was so grateful for every little moment of her amazing life, and that she was so grateful. She said she was so blessed to have two wonderful boys, and she was at peace. I sure loved her and appreciate her example that will live on for the rest of my life. She was a beautiful person.

“ Judy and I became friend's oh about 35 yrs. ago , She worked at The Westeria Cafe in Gunnison, Utah with my Aunt Joann Westlund And through My Aunt we became fast Friend's . We had alot of good time's together. In July 1985 she was my Bride's Maid when I got Married. A few year's later she met Moky Christensen and they were Married. I will miss her very much , My Prayer's are with her Children and her Brother's And Sister during this difficult time as they grieve at the passing of their Mother and Sister . She is on the other side now and what a joyous Reunion she is having with her Mother and Father and all her family who have passed on before her . Love to You All and God Bless ! LeeAnn Jensen

“ Judith always had a smile on her face and a positive comment. I have only known Judith for a few years and she has touched my life for the good. With all of her health challenges, she never complained. She will be greatly missed by her many friends in Levan.
