“ I have wonderful memories of growing up down the street from Judy as well. Many games of kick the can were played at the Seago house! She was a great women's leader as I was growing up as well, sharing her talents with us. My prayers are with your family.

“ Judy and Norm were very special friends to us in Granger as so many of us young couples grew up and "raised our families" in the ward. We will cherish our memories of Judy forever. She was a talented woman who could do anything she set her mind to do... from homemade suckers to major home improvements. It seems like every time Norm went on active duty with his reserve unit, Judy undertook some huge project in the home, and had it finished by the time he returned. Their sons all rose to the rank of Eagle Scout thanks to a good Scoutmaster in the ward, but an even greater mother. There's not enough space to share all the warm, special things that can be said about this wonderful woman. She was always there for the people who needed her and she spent her life giving far more than she ever took. God bless her family and comfort them in the loss of their beautiful mother, sister, aunt, and may their warm memories of her comfort them until that time they can be with her once again.
