“ This is such heartbreaking news. It's hard to imagine a world without KaRyn. I have so many good memories. When my family moved to Florida KaRyn reached out to me and we became friends quickly. We spent a lot of time at church activities, gym, pool, mall, beach, Taco Bell, Disney, her house and Temple Square. I remember she gave me an old purse and went shopping with me to pick out makeup for the first time. I had no clue what I was doing. I remember we would take this color code personality test. KaRyn's color was red. It meant she was a leader and it fit her. KaRyn was such a fearless, ambitious, strong person. She was generous and thoughtful. I remember sneaking around at night surprise delivering cookies to different people. We had so much fun together. Even though it has been over 20 years ago, she had a huge impact on my life. My comfort is that she is with people who love her and feeling the love of our Savior Jesus Christ and our Father in heaven.
