

Kona'i "E" Tupou

October 10, 1974 - October 21, 2016

Kona'i "E" Tupou, our beloved brother, uncle, son, nephew, husband and father accepted a mortal life appointment on October 10, 1974 and was born to Fapiano Tiueti Simiki Tupou and Ana Kona'i Tupou in Matahau, Tonga.

He lived his life with a big smile, his hard work was an example to his coworkers, his signature giggle and chuckle is a copyright to him alone and he spread love and support to all who had the pleasure of knowing him.

He was a great promoter of all the things he loved which, besides his family, included the Pittsburgh Steelers, he was a steadfast BYU football fan and watched the BYU vs. Boise State game in his final day, he loved daddy-daughter dates with his girls, he loved to snowboard and although he loved to sing karaoke, he was splendidly terrible at it.

On Friday morning, October 21, 2016, Kona'i Tupou accepted a new calling in which he will not return but includes major benefits and perks such as reuniting with his parents, his brother, his OMA, many relatives and friends that he has not seen in many years. The new calling will guaranty him happiness, love, beauty, the unlimited ability to simultaneously oversee the lives of his earthly family and consumption of unlimited food and beverages without any consequences.

His big smile will now be watching over his beautiful and loving wife, Tiana Mapu-Tupou and three lovely daughters; Ezri Tupou, Ava Tupou and Sophia Tupou (Mailoni & Stacey Tupou). His five brothers, four sisters, in-laws, many relatives and friends will take excellent care of his earthly family during his eternal absence. Until we meet again when our calling comes one day.

“ I was working with Tiana, when she fell in love with E. I would hear all their courtship stories every week at work. And eventually, I got to meet E, and he was the most gentle of man. They were the perfect couple. E and his family and friends helped install my sprinklers and landscaped my yard when I built my house 16 years ago. I will never forget that. I still can't believe he is gone. Tiana, you and your family are in my thoughts, and let me know if there is anything I can do to help out.

“ "E" was a great man! One of the funniest guys I've had the privilege of knowing. When I was new to the Ville, he welcomed me with open arms and made me feel like I belonged. Much love&condolences to his famili from My Alatini clan in the 808!
