

Mr Latai Peliti Mohi

December 30, 1942 - May 25, 2013

Latai Peliti Mohi passed away quietly and peacefully in the early morning hours of May 25th 2013 at the age of 70, into the hands of his Father in Heaven. He was surrounded by his loving wife and children.

Latai was born to Viliami Peliti and Susana 'Asinate Sefana on December 30th, 1942 in Tefisi, Vava'u Tonga Islands.

He was a great but, very simple man. He fought a long battle with diabetes.

Latai was married to the love of his life Uila Tangikina Sekona in the Los Angeles Temple on June 30th, 1973.

He attended and graduated from Liahona High School in the islands of Tonga in 1963. He was a proud member of the Liahona High School Marching Band. Latai also attended Church College of Hawaii. While there he was a star performer at the Polynesian Culture Center in Laie, Hawaii. He graduated from BYU with a major in Political Science in 1974. He served a mission in the Nuku'alofa Tonga Mission and has held numerous church callings but, Latai's love was being in and serving the youth.

He was a teacher in Liahona and after moving to Utah a teacher's assistant in the Public Schools. Latai's greatest joy in life was his family. He has a deep understanding of the gospel knowing, that he will be with his family for all of Eternity. Latai was a man full of faith, filled with love and a great example to all those that know and love him. There was never a time that whomever sat to visit with him did not walk away with a warm heart and a smile on their face. Latai had a way to make anyone feel welcome and happy. His laughter and joking but in serious ways will live on in the hearts of many loved ones both family and friends.

There will be a huge void in the Mohi Family for a long time to come but, we know he has moved on to prepare a home for his family.

“ To the Mohi family, I am so sorry for the loss of your father, grandfather and husband. He was a great man and I could always feel his strength through his spirit. Please know that you are in my prayers during this time of sadness, yet happiness because he is no longer in pain. There is peace in knowing you will see all loved ones passed and be with them one day again. Families are Forever through the blessings of the temple, much love to your wonderful family.
