

Manuel Fredrico Martinez III

June 26, 1964 - May 19, 2017

Manuel Fredrico Martinez III, was born June 26, 1964 in Durango, Colorado. Son of Dorothy Marie Santos (Manuel Fredico Martinez II) and Mariano Santos II. Manny passed away, peacefully in his sleep on Friday May 19, 2017 after a long battle with multiple health issues.

Manny grew up in Durango, Colorado until the age of 6 when he moved with his family to Salt Lake City, Utah where he lived until his passing. He attended South High School in Salt Lake City, Utah where he met and married his high school sweetheart, Laura Lee Olguin in Salt Lake City, Utah on Valentine's Day 1993. Together they had 4 beautiful children. Manny was a Journeyman Glazier by trade and found joy in the work he did. Our father had a passion for life and lived his life to the fullest.

His biggest passion and joy was spending time with his large extended family. Our father enjoyed doing many things with his past time including "seafood" Sundays, playing pool, being in the outdoors, fishing, and playing endless games of Yahtzee. He was a very talented artist and always loved drawing new things. He was always active and looked for new and interesting things to tinker with. We will miss his unlimited talents and endless zest for life. He was a wonderful father, son, brother, uncle and grandpa and we will ever be with us.

Manny is survived by his mother, Dorothy Marie Santos, daughter Samantha Martinez (Carlos Valencia), sons Matthew Martinez, Mark Martinez, and Adam Martinez. He is the proud grandfather to Kyarah Valencia and Benicio aka: Benny the Bull Valencia. Siblings Veronica Ambrose (children Ronnie Martinez (Shural), Jessi Harrell (Joshua), Deborah Collina), Orlinda Serrato (children Joel Valencia and Andrew Valencia), Esther Bowden (children Rita Martinez, Michael Bowden, John Bowden), his fraternal twin, Francis Martinez, (children Anthony Martinez (Cathryn), fraternal twins, Vanessa Solorio (Pedro) and Victor "Gordo" Ramirez, and Crystal Ramirez), Lori Martinez (children Lindsay Danielle Villapando and Cruz Martinez), and Mariano Santos III (Wendy) (children Dominic Mariano Santos). Uncle Manny was loved by many, many great-nieces and nephews and

was a strong father figure in their lives.

Manuel was preceded in death by his father Mariano Santos II, and Issac Noe Aguado aka: Iceman.

Our family would like to thank all of the many, many healthcare providers that cared for our father throughout his life, especially in the end. We would like to express our gratitude to the caregivers at Avalon Rehabilitation Center. Thank you for the amazing care, grace, and dignity you gave to our dad in his final weeks.

Dad, you will always be with us - mind, body, and soul. We will miss you beyond words or measure. We will especially miss your wonderful "smack talk" and larger than life personality. We will miss every single thing about you and more. You had a huge heart and was loved by so many. We love you - you will never be forgotten. Until we meet again...

“ One of the best memories I have of Tio Manny, is when my brother and I were little and he would do his donald duck voice for us. We would beg him and beg him to do it more, and he always would. Also, once I was too scared to pull my tooth out, so he tricked me into letting him do it; I was mad at him at first but then I realized that it hurt less when you weren't expecting it.

“ Tio Manny. Thank you for accepting me and loving me from the very start. I remember when Anthony and I first started dating we spent a lot of time with you, going out listening to Uncle Cracker- Follow me, playing pool and I remember you telling me you loved seeing your nephew so happy and had never seen him so in love and letting anyone talk shit back to him like I did. Lol. Thank you for loving our girls. They loved you so much too. We will forever hold onto the memories of all our fishing trips and pool games and just listening to you talk crap to all of us, teasing us to death because you loved us so much. I miss your smile and laugh Tio. Rest In Peace knowing how much we all loved you. RIP Tio. Until we meet again. Love you so much my heart aches. Love your niece Cat
