Marilyn was such a great person and friend to all, i sure am going to miss are talks, she was always there as a good friend when i needed someone to talk to or just to come down and visit with her. The whole neighborhood is going to miss being able to come to her house to visit with her. I am so glad that i was able to be there for her and help her out throughout the last few years when she needed help with things.

“ We are sorry for your loss, and we hope you receive comfort at this difficult time., Marilyn was such a courageous and spunky lady. She always made the most of things and was upbeat even when things became hard. Others loved to congregate at her front porch in the nice weather. She seemed to draw people to her. Our prayers are with your family. Janice and Richard Sommer

“ So sorry to hear of "Buff" death. She was a cousin that I always looked up to and loved to visit with as a child. We had a lot in common in our later years as we to both were blessed with "RA". The Wilson family was not blessed with very many girls and "Buff" was the first granddaughter of four born to our grandparents. I had the opportunity to be one of her bridal attendants at her reception when she married. I have great memories of "Buff" and send my condolences to her family. Love Gayleen
