

Marjorie Hetty Haslam Stoker

February 24, 1932 - May 13, 2017

Marge Stoker, 85, reunited with her beloved husband on May 13, 2017 surrounded by her loving family after suffering a stroke. We celebrate that she is now pain free from a lifetime of suffering, without ever feeling sorry for herself or complaining. This great lady will be remembered for her incredible example of strength, determination, and endurance.

Marge the youngest of four children was born February 24, 1932 to Byron Haslam and Elma Nevada Skillicorn in Salt Lake City, Utah where she lived most of her life. Marge married her eternal companion Don Lundquist Stoker January 16, 1953 in the Salt Lake City Temple. They celebrated 63 years together before his death just 6 months ago in November 2016. They got engaged right before Don left for his mission and Marge joined a group of friends that were waiting for their missionaries and servicemen that called themselves the Standbys, and 66 years later the couples still meet together monthly. Friends were her specialty. She was socially involved with many friend dinner groups and book clubs. Family and friends were the lucky recipients of her many cards, handmade gifts, and home cooked wonderful meals over the years. She is famous for her yummy caramels and cinnamon rolls that she made.

Marge's greatest trait was her steadfast devotion and service to her family, her church, and her friends. She was always happiest when surrounded by her family, spending time with them, and always encouraged them in their pursuits. She felt her greatest accomplishment was her family and she cherished each one. Marge is survived by her children: Cherie (Scott) Willey, Julie (Greg) Thompson, Richard (Nicki) Stoker, son-in-law Brad Campbell, 11 grandchildren, and 16 great-grandchildren with one on the way. She is preceded in death by her parents, brother, sisters, and daughter Karen Campbell.

The family expresses heartfelt thanks and appreciation to those that offered compassionate services especially to the Stone Ridge Ward, her Legacy House Family, Aspire Hospice, and IHC Aides-Victoria, Jin, and Tamalyn.

Funeral services will be held at 12:00 p.m. Saturday, May 20, 2017 at the Stone Ridge Ward building located at 12070 S. Laurel Chase Dr. (1515 W.) Riverton, Utah. A viewing will be held prior to the service from 9:30-11:30 a.m. Interment: Salt Lake City Cemetery. w

“ To the Stoker Family,

Condolences to all of the family!

I was a piano student of Marge's back in the day. I can remember her always pushing me to do my best (I quit), but I reflect back at the times she kept telling me how I'd become a great pianist if I stick with it. Marge kept telling me I had a passion for great music (I still do).

I reflect back on those moments from time to time. And of course as a child/kid in the Cottonwood 8th Ward I was always checking in on Cherie and Julie.

Thoughts and prayers from Colorado!

“ Dear Stoker Family,

I can't remember ever not loving your mother! She was amazing! I loved being her neighbor, her friend, and fellow Church leader. I loved serving with her in the stake young women's presidency. I learned so much from her. She led with such wisdom and love and truly loved the young women she served. Marge was a beautiful lady, in and out. It was such a privilege to know her and call her my friend. My love and prayers are with you, but I'm sure she is loving being with her beloved Don! I will be unable to attend the funeral, but my heart will be with you.

Much love,
Judy Ostermiller
