“ I want to say how very sorry I am that couldn't make it to the services for Uncle Marty. My heart felt condolences are sent to my Aunt Paulette and my cousins for their loss. I have many fond memories of walking around the property tending to the animals at your home in Lehi and the home in Fairfield. I know Marty will be missed by many and please keep in mind, he has already been tested. He's with God in heaven waiting on us all.

With love,  
Dave Graham
