February 18, 1937 - April 18, 2016

Mary Elizabeth Fogg age 79, passed away peacefully on April 18, 2016 in Sandy Utah, after a long battle with Alzheimer's. Mary was born February 18, 1937 in Boston, Massachusetts to Harry and Glenna Clarke. She married and had two children Steven Fogg and Sharon Zeller, and later divorced.

Mary was an avid supporter of education and children with special needs. She worked for Granite School District for 30 years and held the prestigious position of the Director for Special Education for Granite School District. Mary loved the children that she worked with and always had a positive attitude about life. Mary was a member of the Cottonwood Presbyterian Church and was active within the church community for many years. Even after her retirement Mary volunteered for the Juvenile Court System as a mediator to children.

Mary had a love for the outdoors and music. She took time for her family, cross country skiing, to walk Red Butte Gardens, to the Symphony, and to the Capitol Theatre to enjoy Operas and Ballets. Mary enjoyed a good glass of wine and good company, and got together with family and friends often.

“ To Mary's Family: I was one of the therapists working at the Granite School District who was hired by Mary. Thanks to her, I had a long and interesting career, retiring in 2012. At that time, which was the last year I saw her, she was keeping up appearances and was as cordial as ever. I could see that she enjoyed her retirement and enjoyed making other people's lives better for her efforts. I could only emulate her. She loved the "home" on 94th and that is how I will remember her. My condolences to you all. Evelyn Frederick

“ I had the pleasure of knowing Mary. We met because we both worked for special education department - Granite School District. Later we were both on the Board of the SLC League of Women Voters. Mary was a wonderful person to everyone she dealt with. My thoughts are with you for your loss and I have many lovely memories of Mary. In her name our family will contribute to the Epilepsy Foundation.

“ Mary attended Cottonwood Presbyterian Church with our family. She was a gracious sweet lady. She was an usher for years and when she couldn't do it anymore because of her illness she was really missed. She always had a smile and greeting for new and old members. My heart is saddened that you won't have her in your life anymore. Cherish your memories and keep her spirit alive by talking, crying, laughing and sharing with each other. May you feel her sweet presence in the weeks and months to come. She is now just in a different dimension.

“ I had the honor, and privilege to mediate juvenile cases with Mary as my mentor. Mary had a gentle, calming manner which helped to coach young teens towards more focused life-goals and she enhanced the mediation process as a whole. I miss Mary's unique sweet spirit and may her family know that she still watching over them, now only from above. Colleen Doherty

“ I have so many fond memories of Mary. I have known the Fogg's all almost my entire life since moving to the Salt Lake Valley. Mary became good friends with my mother and father and the Gilead Church. I think they first were living on the east side somewhere in the Avenues, but moved to the Popular Grove area. Mary and my mother both were involved with special need kids. I can remember having Thanksgiving dinners with Mary and family. She loved the Murray area and lived in many places here in Murray. I always enjoyed having a call from Mary and being able to help with the electronic needs. I also enjoyed the lunches that Diana Hughes and Mary would invite me to. I even remember getting a phone call while riding the Staten Island ferry in NYC. The last time that I saw Mary, first asked "Do I Know You?" Them memory was failing but we still had a nice conversation and she still had the smiling face. Peace to you now, Mary.

“ I have been friends with Mary for many years. Even as alzheimers disease stole a lot from her, she was always the friendly, sweet woman I have always known. I will miss our visits. I'm so happy for her that she is finally in her heavenly home. Cheryl Robinson
