

Mary Kealoha Kauvaka Sotele

March 16, 1965 - January 20, 2019

Mary Kealoha Kauvaka Sotele passed away on January 20th, 2019 in her home in Salt Lake City, Utah. Born to be fancy, she came into this world on March 16th, 1965 in Laie, Hawaii to Bernadine M and Likitoni S. Kauvaka.

Mary lived a fulfilling life doing the things that made her happy. Some of these things included making us kids scratch her feet for "10 minutes", dressing us in embarrassing clothes, styling our hair to what was trendy to her, having tea parties, and handing out names like Lawrence when your name was really Terrance. She always loved to blast her favorite music and play movies for us we never thought we would love too. She also had a big heart and shared her aloha spirit everywhere she went, which is how she made so many friends. She gave love and forgiveness freely, and taught her children to do the same. Our mother had a sense of humor. She always told us funny stories about her lifelong friends who were like family to her. She was a smart and educated woman who cared more for others than herself. She will be missed dearly.

Mary is survived by her five children: Sesilia "Cecil" Sotele Sharpe (David Sharpe), Daeana-Lee Sotele, Travis "Ko" Sotele, Melanie "Laney" Sotele (Salvador Rosalez), and Naite "Nai-Ollie" Sotele. Her grandson Edward Michael Latu Sharpe. Her brothers Steven Jay Kauvaka (Sa'ane Kauvaka), Daniel Kauvaka (Alisha Kauvaka), and Martin "Marty" Kauvaka (Atiloa Kauvaka).

Please try not to wail too much, our mother will probably laugh at you from the Pearly Gates. We wish to make this time a happy memory because we know it is what she would have wanted. So please join us in celebrating her life on Saturday, February 2, 2019 at the Salt Lake 29th ward chapel located at 1148 W 500 N, Salt Lake City, Utah 84116. The viewing will be held from 11:00-01:30 PM and the service will be from 01:30-03:00 PM followed by her burial at Memorial Redwood Cemetery located at 6500 South Redwood Road, Taylorsville, Utah 84123 at 3:30pm.

“ Mary, I am grateful that I am your cousin and will always be thankful for the memories! You always were kind and showed a true ALOHA SPIRIT to my family and I. Fly high, Mary! I love you, cousin!

To your kids, your mom will be close to you guys, even though you can't see her. She will be there in the wind, the sun light, and in all you do. Remember those moments, write them down. Speak of her frequently, the good times and the bad. Visit her as often as you can. Speak to her as if she was there with you. May you all be blessed in all you do.

Aloha!

“ I remember when you were in beauty school and needed a model to practice cutting hair on. You gave me a bob cut hair style and I loved it (it was my first hair cut). I remember when you would organize our Christmas pageant/talent shows to perform for grandma, grandpa and the family. We would line up from oldest to youngest and do the 12 days of Christmas followed by a beauty pageant. You always worked your magic on our hair and makeup to make us feel special. You were always there for us cousins no matter what, giving your time to help us. You will be missed dearly. You my beautiful cousin. RIL Mary.

“ I remember always being afraid of her when we were small but boy did she have a heart for all of us children. I always remember that she was the oldest grand and I'm the baby of the line. I finally got to see her in 2016 after 22 years and I was so excited!! She offered me so much lotion because Utah was too dry for this Hawaii girl. She gave my oldest

bebe a curler and perfumes!! I wish we could've spent more time together but it was definitely enjoyable for the time I got to spend with her on my trip to Utah. I love you my cousin. Rest in love and you will be missed!

“ I remember her in the most special time of my life while she lived 'just up the road' on Iosepa Street as she and Aunty Berna would take us Hauula to get Pake cakes, then holo holo to the beach(es) .

I also remember her sweet. caring soul who always put others before herself.

Later as adults, she would come visit me in West Valley City, bringing me food or just to visit for a minute, pushing me in my wheelchair to my garden swing where we could talk story. Once, she came while AhTim and Luana were also visiting. It was so heartwarming to sit and just talk story, reminiscing of the Laie Days of the 80's.

Ofa lahi Mary, May our Heavenly Father welcome you with open, loving arms as you now move on to your next place in life.

Ofa lahi also to her children, Uncle Liki, Aunty Berna, Daniel, Steven and Marty and the whole Ohana. Aloha Mary.
