“ I just learned of Maxine's (Sister Crapo as we knew her) passing. I served in the England London South Mission (ELSM) with her in the office. She was the secretary to the president and as mission recorder, our desks adjoined. We had many long talks and she was like a second mom to me. I will always remember her cheery smile and positive attitude even during the darkest of hours. I fell out of touch over the years but will always remember her kindness. She is greatly missed.

“ Dear Carol and the Crapo family,

So sorry to hear of the passing of your mom. She always made me feel welcome in her home as I spent so many,many hours there with Carol. I can almost hear her playful teasing and her musical laugh. What a sweet, kind, beautiful woman she was. I pray that you may feel the comfort and love that only our Heavenly Father can give.

Thank you, Carol, for your thoughtful message just a few short weeks ago at my own mom's passing. That was more appreciated than you know.

With love,

“ Dear Crapo family:

I was saddened to read about the passing of your dear mother. She was married to my Uncle Kay for several years and sister to Juanita.

She was a beautiful lady with such a kind manner. She was a sweet companion to my Uncle Kay for many years. I so appreciated her sweet spirit. She and Kay visited our home on several occasions in the Kamas Valley.

Just know that I am thinking about family and hoping that the services are comforting to all of you and beautiful reflection of her life.

Sincerely,

“ I was sorry to read of Maxine's passing. The picture of her was lovely and just how I remembered her. We lived in the same Cottonwood ward as the Crapos did and have fond memories of Maxine, Jim and their family. So many of our generation are going home and it is a time of reflection. Hope all is well with the family.

“ Nana was always my second mom. She was always there for me, listening and sharing advice, even in the toughest of times. She was (is) a wonderful mom and grandmother (nana). Her legacy of love and testimony of the gospel of Jesus Christ will remain with us until we meet again. Love you and your family. Tami Wray

“ Such sweetness and kindness.... Your mom and I would call and sing "Happy Birthday" to each other every year for years; we were two days apart. Her love for her family, the Gospel and music is deeply rooted in her soul. She lives on through the Atonement of our Savior, Jesus Christ. May you feel her love for you through the veil....
