

Megan Rachelle Blais

January 9, 1996 - September 4, 2017

Megan Rachelle Blais was born on January 9th, 1996 to Lucinda and Ronald Blais in Salt Lake City, Utah. She passed away surrounded by family on September 4th, 2017.

Megan was a very outgoing and friendly person with a huge heart and contagious laugh and smile. She enjoyed spending time with her friends and family, but more than anything she absolutely loved being a mother.

Megan had three children Max, Sebastian, and Izabella. Megan's first-born Max, was taken from her very suddenly due to complications in her pregnancy and that nearly broke her. A year and a half later she had Sebastian, her miracle baby. Almost another 18 months and she got her baby girl, Izzy. Megan doted on her children, they were literally the light of her life and you really saw her shine when they were together. Megan was lost a lot of the time, with so much tragedy and loss in her young life, but she loved her babies with all her heart. She is loved so much and will be missed greatly.

Megan is preceded in death by grandparents Joe and Denice Martin, grandmothers Sheryl Coleman and Tricia Clawson, brother Tyler Blais, and son Maximilian Suazo. She is survived by her parents Lucinda Campbell (David) and Ronald Blais, sister Amanda Traver (Levi), son Sebastian, daughter Izabella and many aunts, uncles, and cousins.

“ Megan you will always have a piece of my heart. I loved you so much and now I miss you so damn bad. You meant more to me then anything I just didn't get the chance to tell you. I will always miss my best home girl. I love you Megan

“ I am so sorry for your loss. It breaks our hearts when death separates us from the ones we love so much, especially when they are as young as Megan. The Bible reminds us that God sees our pain and sadness and has promised that soon, "death will be swallowed up forever." (Isaiah 25:8) He will heal our broken hearts by resurrecting our precious loved ones to life again. (John 6:40) I hope the beautiful memories of Megan and these promises from God comfort you in the days to come.

“ She looked the same just bigger, blonde and longer hair at death. How cute.
