“ Mary & Family, you are in my thoughts and prayers. I am so sorry for your loss. I did not know Mike had passed until I saw that you asked for no communications for the reunion. I went to school with Mike at Glenwood Springs High School. I was only there for a half year my Senior year but I remember Mike's smile and he was always so nice to me. It is always hard when your a new person at a school. May all your wonderful memories comfort you!
