Nancy Lee Shepherd Henderson

Nancy, our loving mother, grandmother, sister, aunt passed away on Friday September 21, 2018 in her home. Nancy was born on November 20, 1943 to Elva Case Shepherd and Joseph Chester Shepherd, she was the eldest of 5 children.

Nancy was very independent and raised her five children on her own. She had a beautiful smile. She especially enjoyed spending time with her family. Nancy loved sewing, tole painting and doing crafts. Her favorite place to shop was Big Lots, she could never pass up a good deal. In her youth, Nancy enjoyed camping with her family. She looked forward to fresh vegetables from her son Chris's garden and enjoyed the fresh cut roses from her Rose Garden that her son David planted for her. Nancy lost part of her spirit when her son Dave died in 1995.

One of her greatest accomplishments as the coordinator of the Salt Lake County Summer Youth Program, was to receive national recognition for her role in the "Restoration of the Storm Mountain Amphitheater" in 1991/1992.

“ Nancy and I worked together when our agencies combined together to create DWS. It was a hard transition for both of us, but Nancy and her wonderful sense of humor made it a little easier. She was a professional and very competent co-worker. On a personal level, Nancy was a devoted friend who supported me in a difficult time in my life. The world was a better place with Nancy in it.

Rest well my friend. Enjoy your reunion with your loved ones. I know you will be watching over the ones you've left behind.
