“ I worked with Nolan at the LDS Church at the end of his professional career, he was a very kind person, soft spoken, a great professional and a great person and always smiling.

“ I have great memories of working with Nolan for the LDS Church. He was always very kind and patient, with great ideas and solutions but never boastful or pushy. We had some good laughs together too. He had a gentle and giant spirit. My sincere condolences to his family.

“ I am very saddened to hear about Nolan's passing. I worked for years with Nolan managing Oracle databases and attending Oracle conferences across the country. I have good memories of fun times together. He had a gentle nature. I was amazed with his knowledge of computers and design, patience, and strength to move the Lord's kingdom forward. Now he is doing that from the other side. My prayers go out to the family. Sorry for your loss.

“ I was, and will always be in awe, and amazement, of this wonderful, kind, caring, persevering and honest man! He wanted to make sure the tax record on his home he bought was correct since it didn't show the square footage finished in the basement and he wanted to make sure he paid his fair share of taxes. I have never seen any one that honest! And to this day I still tell customers of his and Annette's story of persevering through many offers to get to the right home! I am sorry for your's and the world's loss of this great man! Love, Janet Spencer

“ Linda Adams Anderson lit a candle in memory of Nolan Douglas Adams

Linda Adams Anderson - October 04, 2015 at 10:50 PM

“ I remember in 1962 when we went to Utah, on our way to Ca.to stay with my grandfather Perkins. The church was having a dance, and Nolan asked if I could go with him, of course my dad,(Willis D. or Uncle Willis) said yes. That was and still is a very special memory for me since I was in Utah so seldom to spend any time with my cousins. Another memory is the picture of Nolan, Randy and I trying to reach the rings on a pole at one of our many reunions back in the early 50's. It is hard for me to believe that they are both gone. But there is one thing that I know for sure and that is Nolan is now pain free and reunited with Uncle Doug and Aunt Mary and all of our relatives that are waiting on the other side of the veil.

My love and prayers go out to all of the Adams families for the lost of their Grandfather, Father, brother and cousins, and nephew.

I will miss your smiling face but I know that we will meet again on the other side, and the memories will keep you alive in my heart.

Wish you well.
