June 5, 1961 - August 12, 2016

Patricia Arlene Ingersoll

Our Mother passed away surrounded by her family on August 12, 2016. "Patsy" is survived by her children, Dominic Ingersoll(Tana), Mike Ingersoll(Candice). Danielle Herrera, Brent Hintze. Her mother, Dorothy Salazar, Her Sister, Betty (Gurule) Hopkins. Her Brothers, Leroy Gurule, Tommy Gurule, Sam Gurule, Ron Gurule, Mike Gurule and Duaine Salazar(Ina). Mom left behind 6 grandchildren and to many Aunts, Uncles, Cousins, Nieces, Nephews and friends to mention as well. She is preceded in Death by her Father Alidino Gurule and raised by Alexander Salazar(DAD), Her Brother Jimmy Gurule, Her sisters, Martha Ann Gurule, Martha Arlene Gurule, Arlene Gurule and her son Alex Ingersoll.

Our Mom was a Loving And Caring Individual. She was an amazing cook (best chili and tortilla's out there). This is how she earned her nick-name "Tia-Tortilla". She loved her family with all heart. Mom was an extremely hard worker. She was very adventurous and loved to be outdoors. Mom's Smile was very contagious.

Mom we will always remember how much you loved ALL of us. If any of us needed anything at anytime, you would always find away to get it for us. Even if you had to go without. We will never forget the camping trips, the family gatherings and the water fights when we were kids. You always tried to make the best of the situations at hand. We will never forget your love for us kids or you're firm hand for that matter. Even when we were terror children you still forgave us by cooking for us or taking us to get ice cream. Mom you are no longer fighting this fight. You are at peace! You are going to be missed by all of people you came in contact with. WE LOVE YOU AND WE ARE GOING TO MISS YOU!

"You lived your life thinking that no one cared  
You thought you were all alone, your heart feeling tattered  
I am here to tell you that you were wrong  
'Cause you see - Mom - to me you mattered

I loved you when you were angry and mean  
I loved you when you were kind as could be  
I loved you not just because I had to  
I loved you because you mattered to me

It hurts to know that now you're gone  
And never will your face again I see  
I hurt not because I am supposed to  
I hurt because you mattered to me

I have to live on each day without you  
It doesn't get easier as it is supposed to be  
I feel the loss of you to my very soul  
Because you see - Mom - you mattered to me

Your touch, your smile, your funny wit  
The times it was just you and me  
I will miss you, Mom, with all my heart  
'Cause you still matter to me..."

See you in the morning!

“ Patsy, as I go out into the world I think I see you sometimes. You just couldn't find your way, or weren't willing too. I understand that. It's very hard life without some sort of relief. You are free now. I can't believe it's almost been a year. I couldn't be there for you at your funeral. My Dad had just died and I fell all apart. I am happy you are free hita. I think of you so much, we always said we'd get together, I guess you save a place for me and I'll see you in the morning

“ My Sweet Precious Cousin, we spent many o days together when we were young with our crazy parents. I remember you stayed with us quite a long while once. You had a hard life to deal with, I know I saw and remember. As adults we hung out a few times getting into trouble, we helped each other out after we had babies. We lived so far apart even though it was in this city that I didn't get to see you much. But hita you were and always will be in my heart. I already miss you so badly! Say hi to my Mother, JohnHarris, Grandma and Grandpa, esp Grandma Cleophes.... what a hoot that woman was.. All of the other family that you will be with.

I'll see you in the morning, you are now my Angel Pat..... help me!

“ Aunty, lord knows how much I miss you and your amazing smile. You showed me to be a stronger and kinder person. You were that person I wanted to be like because you gave your heart to everyone you met. Ill miss seeing you reading your bible. No matter how bad things got for you, you never list your faith. I can only hope to be half of the person you were. I love you until I see you again my aunt/ sister. Love Michelle h

“ Aunt patsy, I love you very much, and will miss you until it's my turn. But I have so many amazing memories with you. I still think about you ALL THE TIME, especially when I drove by the house on 1300s. I remember you always taking us boys to get new shoes, having pizza parties, camping, fishing, scaring us with your stories and just being an amazing mom, aunt, and as I grew older a friend. I remember the Shannon concert you were so excited to go to, and when my pops tackled all of you women outside the club cause he was trying to help the rest of us boys fight. I also watched you go through so much heart ache that someone lesser couldn't have Bourne. Tia, I'm thankful that you are with Jesus now. And with your baby Alex, grandpa, and all those we have lost. It seems it was a ton this past 3 years. I love you dearly, and I absolutely know that I'll see you again. Love, cheech jr.

“ Pasty was my niece. An absolutely gorgeous girl. I remember having fun with her when mom took me to Utah to visit. We were carefree and played as little girls do. I know life is a journey. Life can be so hard and cruel. No matter what when I did see her she always gave her beautiful smile. I loved and . Love her and now she can finally rest! Love Tia Tammy

“ My mom you struggled for so long and so hard and only God knows why. But you never stopped believing in Jesus you always said he loved you and had a plan for you. Mom it was the hardest thing I've ever in my entire life making that decision to take you off that machine and let God almighty take you my God I'm still struggling if I made the right choice. I know Alex and Grandpa was there to take you to your resting place Mom please know I could not see you suffer any longer I know your in peace now I just know this in my heart and soul. Mom I love you so much I will miss you every second Mom I love you.
