“ I was so sad to hear of Penny's death. She was a wonderfully warm second mother to me when I was a child. Heidi & I were besties & I think I spent as much time with the Steed family as I did my own. Penny & Clark had a love for each other that I admired so very much & a love for their dear family that was immense. I recall so much laughter in their home & I just loved Penny's laugh. Her hugs were the best & I always felt safe within them. I remember she always smelled so good, White Shoulders or Cinnabar perfume I think? I recall smelling the scent sometimes in passerbys & looking to see if it might be her. I have missed this family so much & think of Heidi every year on Dec 31st. I send this entire family so much love & comfort. I truly know how blessed I am to have had her in my life!

“ Penny and Clark were so very gracious to Owen and me when we came for Bayleigh's wedding. They put us up at their house and shared their family with us. It was such a special time and it meant so much to us to be included:) Wonderful people and we are truly grateful for the chance to meet them and spend time with them. We will miss them both.

“ Spence and I love Penny so much and have such great memories of she and Clark. They were such an example of what a marriage should be. We had so much fun with Nertz, camping, church, and on and on. We will always remember those fun times. What awesome souls they are. So sad we can't be there with you. We are actually in self quarantine because Trisha's family came down with Corona. We are almost at 2 weeks so we think we avoided it because we were outside wearing masks. Love your family so much, and are so sorry for your loss.

“ Aunt Penny was a wonderful lady. I'm grateful for the conversations we had whenever I came to visit. I appreciated the example her and Uncle Clark set of a loving couple and family.

“ I pray that all who knew Penny & Clark remember the love story to those two. I loved Penny's beautiful smile and her laughter, she could light the room with her love for life. She was an unbelievable cook and I knew her to be a loving Mother, she so loved Clark and right after they got married I would sit on the floor with her while she painted her fingernails while she told me of how much she loved Clark. When we lived in California we went to see them on their vacation that they would go to at times by the ocean, kids running all over, people laughing and so much love there that it made my heart burst. When our Mother passed away Clark & Penny were a steadying force for me and even though I knew the pain they felt for Mother's passing they also let me know that "all was well". Penny is so happy to be with Clark now and my joy for them knows no bounds. Tale cre, Llsa, Brian, Scott and Heidi, know that your Mother & Father will always be watching and loving you as Pete & I do.

“ I knew Penny Smith when we were in the 8th grade at Roosevelt Jr. High. I, love this picture of her smiling. It reminds me of how happy she has always been. Her smile became even brighter when she married and loved Clark Steed. I send my best to you her family today. You are a great tribute to your mom and to your dad. "Families can be together"!!
