“ Polly had a shining light of love that she shared with every one she met. I, like many others, will miss her presence in this life.

“ Polly was such a wonderful friend to so many of us. My memories of her will always be how much she loved her family, especially her granddaughter Avery, and her children. She missed Darren a lot, and I'm sure their reunion was sweet beyond measure. Prayers and strengthening thoughts to her whole family!

“ Polly was a devoted baseball Mom years ago as we'd watch our sons, Darren and JD play. Wayne Witzel and Mike Sato were their coaches and we spent many afternoons cheering our boys on. She was always friendly and kind. Doug, my heart goes out to you and your kids. I'm sure we all sense a beautiful reunion between Polly and Darren.

“ Polly was such a wonderful example and I have learned valuable lessons from working with her over the years. I was shocked and saddened to learn of her passing. May our Father in Heaven fill your hearts with peace and may the memories you have of Polly comfort your beautiful family.

“ My sweet Polly ~ it's been such an honor to take this part of the journey with you. The road will seem less clear without the light of your love and hope to shine on it, but we'll all look forward to that eternal morning when we can again walk and talk with you.

“ When I imagine Polly Jane, it is that now she is in Heaven with a sketch book. She is drawing every new great thing she sees. She loved to draw. She is hugging all the people she loves. Polly loved to hug. To her family left behind: I am praying for you to feel peace. I am so sorry for this sudden, unexpected loss.

“ Doug, Bob and I and our family express our deep condolences to you and your family in the loss of Polly. When I think of my association with Polly it takes me back to when you first moved into our ward and she soon became my counselor in Primary. She loved the children and has always loved to work with and teach them. She was always so good hearted and compassionate. We have missed our association with your family since we moved out of the ward. Our prayers go out to your family at this time.
