Ronald Landh Simmons "Dirtbag"

1951 - 2019

Ronald Landh Simmons (68) passed away peacefully at his home in Magna, UT with his loved ones by his side on 12/13/2019 after a courageous battle with cancer. His mind was strong to the very end, but his body was fading, so he decided to "get the hell out of Dodge".

Ron was born in Salt Lake City, Utah on 08/24/1951 to Darlene Landh, who later married Arlin Simmons. Growing up Ron's Family traveled and lived in several places. He proudly served in the U.S. Marine Corps from 1968 to 1969 and was honorably discharged. He found his way back to Salt Lake City where he became an outstanding member of The Barons Motorcycle Club on 01/27/1978 to Present. Over the past 41 years, Ron held several officer positions in The Barons, most notable being President and Ambassador. Ron or "Bags" (to those close to him) was an Icon in the Motorcycle World known by Motorcycle Clubs around the Globe. He was pure class, a true "Wild One". Bags truly was one of a kind, whose toughness was rivaled by few, and his integrity, kindness, and generosity for others were unmatched. Ron was also the successful Owner/Operator of All-American Towing for several decades. Ron had a resilient work ethic, often being on call 24/7 while enduring severe weather and road conditions. Ron had many passions, none equaled the love and affection he had for his Family, Brothers and all animals.

He was a loving Son, Brother, Father, Uncle, Grandfather, and Husband. Ron was preceded in death by his Mother-Darlene Landh Simmons, Grandmother-Elin Landh, Wife-Cari Martin, Wife-LaRae Simmons, Stepson-Derek Shaw, and Brother-Johnny McLaughlan. He is survived by Father-Arlin Simmons (Joanne), Wife-Dennette "Curly" Simmons, Daughter-Krista Ohlund Blaxton (Eric), Daughter-Cherishe Simmons (CJ Mullins) Grandkids- Shez Linnarz, Kainen Martinez, Anthony Martinez, Kaycee Martinez, and Casey Mullins. Daughter-Cassidy Simmons (Alex Lamb) Grandkids- Jayce Raddatz, and Vee Lamb. Daughter-Jessica Simmons (Mike Cordova) Grandkids-Brynlee Jones, and Nautica Groat. Grandkids-Rocky, Jasmine, and Chloe Blaxton, Granddaughter

(Derek's Daughter) Nastasha Larae Govan. Sister-Vicki Simmons Caldwell (Richard), Sister-Suzanne Simmons Burkhalter, and Sister-Christie McLaughlan-Riley. As well as many Nephews, Nieces, and Cousins. Ron also left many beloved pets behind.

He was also Preceded in death by several of his Baron Brothers, and many Brothers from other Motorcycle Clubs. Surely, they are all having one hell of a party now on the other side! "Bags" was often the life of the party! See you down the road "Bags", until we meet again B.F.F.B.

Ron's "Bags" Celebration of life will be held Friday January 17th, 2020 11:00 A.M. at the Calvary Chapel of Salt Lake 460 Century Dr W, Murray, UT 84123, Followed by the Service at 1:30 P.M. held at Camp Williams Veterans Cemetery & Memorial Park 17111 S 1700 W, Bluffdale, UT 84065.

“ RIP Dirtbag.
I'll never forget how Mr. Simmons was always a true gentleman to me and my family. He always greeted me with a hug and smile. I will miss that kind gesture, along with his voice.
I loved how Dirtbag and the Barons M.C. were instrumental in letting me interview them for a profile/story that I wrote for The Salt Lake Tribune years ago.
Lots of respect for Dirtbag and the motorcycle club.
Condolences to the Barons M.C., Denette, and the Simmons family.
Love, Julie DeHerrera

“ I have known Dirt Bag for about 37 years. I was just a small child when I first met him. We loved it when Dirt Bag would come around. He always had something for us kids. He always showed me the utmost respect. About 17 years ago I moved into a place not far from Dirt Bag. Every time I would head into Magna I would get behind Dirt Bag when he was on his bike. It was Yellow with Purple flames with a hand shift that seemed to me to be under his bike! HAHHAHAHAHA! I would stay far back because he would stretch down to shift the bike and because the apes were so tall, the bike would start to shake a little, I was always so scared he was going to come off that damn bike and I would be the one to run him over. I ALWAYS kept a very safe distance. . . Just in case!! I'm going to miss my life long friend. My respect to his children, grandkids and his Brothers. May his memory be eternal!

“ He was the best coach one could have in the game called life...he enlightened me with his guidance on the path to righteousness...he taught us all.. patience,honor, perseverance ,to never doubt faith or lose hope.. and to always see the positive side of all things negative.....heaven will rumble trying to contain him and his shinangins....the creator called him to activate duty because there is something serious that needs a special person...

“ Dirtbag,

If there ever was a more decent biker, it would be hard to outshine this man. He was not only loyal to his club, he cared about his community. He was one of the most giving and honest bikers a person could ever meet. Known the man for over 20 years. Can't even begin to tell you how many tows he had taken care of for myself and friends of mine that I had suggested him to. No one ever said anything negative of his top quality service. It was always a pleasure to run into him at the post office when I was working and he would stop to get his mail. Always enjoyed hearing, "What up mailman?", he would always have some funny story to share and an invite to have a drink with him soon. I always looked forward to seeing him at the club house a couple times a year, when he would let loose and have a good time. The Barons MC and the community as a whole lost a really good man. Thanks for all the killer memories and great times! Going to miss seeing you. R.I.P. DB
