“ I met Rhonda through a crafting club we were both in. I always admired her spirit and how honest and fun she always was. Even if she was having a rough day, she would still laugh and joke with us. She was so sweet and kind. She remembered things about the last time we had talked and always asked about my family and life in general. I'm so shocked that she is gone. She will be missed. She was a beautiful person, inside and out. Now it's time for her to fly.

“ Rhonda was always a fun spot in our department when I was bundle Handler at Beehive. She kept me in hand lotion and was always making something interesting and creative. Connie, I am so sorry for your loss. May Heavenly Father bless and comfort you and your family. I love you. I am in West Virginia until May 17th or I would come to services.

“ Ronda had an incredible way of making people feel loved! She enjoyed sharing her love for music and the arts! I can truly say that her heart was full of love! She enjoyed talking about her family and expressing how proud she was them. She talked endlessly about her friends. So I say "Thank you, Ronda Gardner! My memories of you, the things I learned through you, and always being honest and truthful with me have marked my life. You have created memories that I will forever reflect on!" Until we officially meet in that huge concert in the sky! RIP!
