

Scott Freeman Clark

October 15, 1962 - November 17, 2016

Scott Freeman Clark, 54, returned home to his loving Heavenly Father November 17th 2016 in Ogden Utah. He was born October 15th 1962 in Ogden Utah to Jerry Freeman Clark and Mary Ann Clark-Jaussi. Scott met his soul mate Nina Clark in 1993 and later married August 31st 2000.

Scott had an incredible love for semi-trucks. He mastered the 15-gear overdrive at the very young age of 13, following in his father's footsteps. He continued to drive semi-trucks until he fulfilled his dream of becoming an owner operator (Prisoner of The Farms, Scooter & Nina). He was very dedicated to his business and was proud he could provide for his family.

Scott was a loving husband, father, grandfather, son, brother, uncle and friend. He adored his wife, Nina. They were an inseparable pair. Where one was the other wasn't far behind. Scott also had an undeniable love for his dogs, his truckin buddies, Whisky and Bo. Scott touched the lives of many. He had a smile that was contagious. Scott was extremely generous, he would give anyone the shirt off his back. He always had a hug for everyone. Scott was known as the human compass. If anyone wanted directions, they knew all they had to do was call Scott. Rest easy Scooter. We love you.

Scott is survived by his wife, Nina Clark; Mother, Mary Ann Clark-Jaussi; Sons, Zachary Clark & Jacob Clark; Grandchild, Trevor Jean Kramer; Brother & Sisters, John (Debra) Clark, Mike (Jodi) Clark, Brad (Amanda) Clark, Aimee (David) Miller, and Melanie Clark; numerous uncles, aunts, nieces, nephews, and cousins.

Preceded in death by:

Grandparents, father Jerry Freeman Clark; Uncles, Aunts, and Cousins

“ I'm going to miss scooter so much. We were so close when we were younger and hung out everywhere. Some of the funniest times I remember was when we went to lagoon together to ride all the rides we could. He liked to talk me onto the rock and rolling things that you can get spinning in circles or lock into place. He would lock us upside down till I was screaming and he would get to laughing so hard he couldn't hold the lock. I loved his laugh he was such a great guy. He's just one of my great cousins bur we have always had fun together. I'm going to miss you so much scooter rest in peace.

“ It's so hard to believe that you're not here with us anymore I will always remember your smile that you had and the laughter that you always was doing your smile would transfer to anybody. I don't know if you remember but when you was a baby I used to babysit you when your mom was working and it was such a fun time being able to love, pampered you. I used to call you scooter because I always thought when you started crawling you really didn't crawl you kind of scooted along the floor. Your Aunt Go Go and I started calling you scooter and it stayed with you for your lifetime. We love you, we're going to miss you but please give my Stacy and Uncle Frank, your Dad and Grandma and Grandpa a big hug from us all down here waiting to meet with you again. Love you always and going to miss that great smile and laugh u always had for every one. Always Aunt Linda R.I.P.

“ Scooter, was the nick name we gave him at a young age. We talked about buying trucks from a young age also, scooter make it happen a few years ago and I was so proud of him I wished I would have told him more. I always planned to buy a semi too and truck with him. Whenever I would be driving to a job or hauling a trailer I would look forward to the times Scott and I would cross paths. Scott. I can't believe my big bro is gone. He's gone, but never forgotten. Love you scooter.

“ I only have respect for the man who taught us all how to drive truck. I never new anyone like him, and doubt I will ever again. He was a a big brother to me as well. Scott and his big Chevy taught me how to 4 wheel, he was fearless. No mud hole was ever too deep or too big.

“ Scott was my best friend and I have a lot of memories of him. He was always there for all of us when we needed him.(he always seem to know when). He could make even the most common things so much more fun just by being there. (he even getting stuck 4 wheeling) and I'll always remember his smile. He was the type of person you could never really stay mad at no matter what. Love you, I'll never forget you, and we'll meet again. Rest in peace Scott
