Stephen Erich Linner- Pleasant Grove, UT

Aug 14, 1977- Jan 20, 2021

Stephen Erich Linner was called to guard the pearly gates of heaven on Jan 20, 2021. On Aug 14, 1977, he became the first-born son to Raymond and Kathleen Linner in Salt Lake City, UT.

Stephen attended Cottonwood High School and enjoyed playing soccer, hiking, camping and causing trouble throughout his high school years. Shortly after high school, he discovered a profound love for the United States Marine Corp and enlisted as soon as he could. If you know Stephen, then you know how PROUD he was to be a Marine. He was active duty as a Field Radio Operator for 4 years and achieved the rank of Corporal. Because of his love for the Marines and his country, he volunteered to go back and serve again for Operation Enduring Freedom after the 9/11 terrorist attacks. Through his service, he was able to travel the world spending time in California, Japan, Australia and Hawaii, to name a few. These years of service taught him core values of honor, courage and commitment that defined who he was. A significant number of stories came from his time as an active duty Marine and he wasn't shy to tell you about it. After serving our country, Stephen worked in various jobs as a technician in banking and technology.

The great outdoors, motorcycles, music and the 49ers were a few deep passions of his. His gift of gab enabled him to make a friend anywhere he went, and you certainly walked aw

ay enlightened of his opinion. Stephen was a strong-willed, hardworking man with a heart of gold who was always willing to lend a hand.

His family was his life and he always worked hard to take care of them. Stephen was blessed with 2 beautiful children, Eric and Addie. Later in life he met his loving fiancé Sandi Wolfley and was able to become a father to his bonus son Ryder. He truly felt his family circle was complete.

He is survived by his fiancé Sandi, son Eric, son Ryder, daughter Addie, mother Kathleen, sister Teresa (Joe), sister Rachel (Shawn), brother Joey, brother Danny, brother Adam, extended family, the Wolfley family and close friends.

Preceded in death by his father Raymond, nephew Porter, Grandma and Grandpa Linner and Grandma Lasker.

Due to COVID restrictions, there will be no funeral service. A graveside viewing will be held on Thursday Jan 28, 2021 at 12:30 pm followed by a military graveside service starting promptly at 1:00 pm at The Utah Veterans Memorial Cemetery and Memorial Park. 17111 1700 W. Bluffdale, UT 84065

“ My condolences to Steve's family and friends. I count myself among the lucky to have had a chance to get to know Linner. We served together in 2/5 and used to take turns carpooling from Vista to San Mateo. I have nothing but good memories from the short time I had the privilege of spending with him. Rest in Peace brother. Semper Fi!

“ First of all, my condolences to Steve's family, friends, loved ones, and everyone who had the pleasure of meeting him. I first met Steve when I was 17 and just a kid in the Marine Corps. I remember him always looking after us, younger marines, and showing us the way. For me personally, Steve helped me through some very difficult and lonely times in my life; always making me smile. I will never forget our times at East Coast in Okinawa, Japan; where the music was blasting and the ThunderStorm was flowing. Thank you Steve, for always being a great friend and teaching me some valuable life lessons along the way. Rest in Peace brother, Vaya Con Dios, Semper-Fi, and Rock-On. FTG

“ You had a beautiful service my sweet little cousin. Yep, I said little. I will never forget the sweet, joyously happy little cherub of a beautiful toddler you were Steven. To watch and see you grow into the strong, loving, loyal family man that you became was an honor and a privilege. I'm going to miss you, I miss you already in fact. I am sad to see you leave us but I pray that we may find comfort in knowing that you are with our loving Heavenly Father now, as well as being reunited with our many, many, family members. I can't imagine the reunion but, I imagine that it will be a joyous and more likely than not, a long one. In closing, I'd like to say, tell it no one..lol! To us older cousins, that phrase holds a special meaning and always brings out a chuckle. I love you Steven! I love you all, my family! Sending lots of love, big hugs and comforting vibes. Melissa Hall. AKA: Missy.
(PS: I wanted to say a few words but, by the time I figured out how to work the zoom mic, it timed out however, I did see and hear the service. I love you Kathy.)
